(6) At the expiration of sixty (60) days, the filed premium rates shall be deemed approved unless approved or disapproved by order of the commissioner prior to the expiration of sixty (60) days.

(7) The commissioner may, by administrative regulation, prescribe any additional information related to rates, fees, dues, and other charges deemed necessary and relevant to be included in the filing of forms and rates required by this section.

Section 7. KRS 304.18-110 is amended to read as follows:

(1) As used in this section:

(a) "Group policy" means group health insurance policies as defined in KRS 304.18-020 and blanket health insurance policies which the commissioner, in his discretion, designates as subject to this section, which:

1. Affect the rights of a Kentucky insured and bear a reasonable relation to Kentucky, regardless of whether delivered or issued for delivery in Kentucky;

2. Provide hospital or surgical expenses benefits, other than for a specific disease or accidental injury only; and

3. Are delivered, issued for delivery, or renewed after July 15, 1986;

(b) "Medicare" means Title XVIII of the United States Social Security Act as amended or superseded.

(2) Persons insured under group policies have the right upon termination of group membership to continue coverage for themselves and their dependents upon meeting the following conditions:

(a) The group member has been covered by the group policy or any group policy it replaced for at least three (3) months; and

(b) Notice is given to the insurer and payment of the group rate is made to the insurer within thirty-one (31) days after notice pursuant to subsection (9) of this section.

(3) Continued group health insurance coverage shall terminate on the earlier of:

(a) The date eighteen (18) months after the date on which the group coverage would otherwise have terminated because of termination of group membership;

(b) If the group member fails to make timely payment of premium to the insurance company, the end of the period for which premium payment was made; or

(c) The date the group policy is terminated and is not replaced by another group policy within thirty-one (31) days.

(4) If a group policy is replaced, persons under continued group health insurance coverage under the replaced policy shall remain under such coverage under the replaced policy until it terminates pursuant to subsection (3) of this section.

(5) Group members have the right upon termination of coverage under a group policy for any reason to have a conversion health insurance policy providing substantially similar benefits issued to the group member by the insurer upon meeting the following conditions:

(a) The group member has been covered by the group policy or any policy it replaced for at least three (3) months;

(b) The group member must make written application to the insurer for conversion health insurance coverage not later than thirty-one (31) days after notice pursuant to subsection (9) of this section; and

(c) The group member must pay the monthly, quarterly, semiannual, or annual premium, at the option of the applicant, to the insurer not later than thirty-one (31) days after notice pursuant to subsection (9) of this section.

(6) Terms of conversion health insurance coverage:

(a) Conversion health insurance coverage shall be available without evidence of insurability and shall contain no pre-existing condition limitations;

(b) The premium for conversion health insurance coverage shall be according to the insurer's table of premium rates in effect on the latter of:

1. The effective date of the converted policy; or

2. The date of application when the premium rate applies to the class of risk to which the covered persons belong, to their ages, and to the form and amount of insurance provided;

(d) The effective date of the conversion health insurance policy shall be the date of termination of coverage under the group policy; and

(7) The right to continue group health insurance coverage and the right to conversion health insurance coverage shall also be available:

(b) To a child solely with respect to himself upon termination of membership in the group or his coverage by reason of operation of the limiting age of coverage under the group policy while covered as a dependent thereunder; or

(c) To a former spouse for himself and such children of whom he is awarded custody when coverage under the group policy would terminate or terminates by reason of termination of dependency as defined in the group policy and resulting from an order dissolving the marriage entered by a court of competent jurisdiction.

(8) Continuation of group health insurance coverage or conversion health insurance coverage need not be granted in the following situations:

(a) The applicant is or could be covered by Medicare;

(b) The applicant is or could be covered by another group coverage (insured or uninsured) or, in the case of conversion health insurance coverage, the applicant is[~~ or could be~~] covered by substantially similar benefits by another individual hospital, surgical, or medical expenses insurance policy; or

(c) In the case of conversion health insurance coverage, the issuance of conversion health insurance coverage would cause the applicant to be overinsured according to the insurer's standards, taking into account that the applicant is or could be covered by similar benefits pursuant to or in accordance with the requirements of any statute and the individual coverage described in paragraph (b) of this subsection.

(9) Notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage shall be given as follows:

(a) 1. For group policies delivered, issued for delivery, or renewed after July 15, 1986, the insurer shall give written notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage to any group member entitled to continue coverage or to conversion coverage under this section upon notice from the group policyholder that the group member has terminated membership in the group or upon termination of continued group health insurance coverage. The thirty-one (31) day period of subsections (2)(b) and (5)(b) of this section shall not begin to run until the notice required by this paragraph is mailed or delivered to the last known address of the group member; and

2. Upon replacement of a group policy, the replacing insurer shall determine if there are group members who were covered under the previous group policy who are not covered under the replacing group policy. The replacing insurer shall by writing notify the insurer which issued the previous group policy of such lack of coverage and the insurer which issued the previous group policy shall issue the notice required by paragraph (a) of this subsection;

(b) If a group member becomes entitled to obtain continued health insurance coverage or conversion health insurance coverage pursuant to this section and if such group member has not been given written notice of these rights pursuant to this subsection, such group member shall have an additional period within which to exercise continuation or conversion rights as follows:

1. The additional period shall expire fifteen (15) days after the group member is given notice, but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31) day period following termination from the group or termination of group coverage;

2. Written notice delivered or mailed to the last known address of the group member shall constitute the giving of notice for the purpose of this paragraph; and

3. If a group member makes application and pays the premium for continued health insurance coverage or conversion health insurance coverage within the additional period allowed by this paragraph, the effective date of continued health insurance coverage shall be the date of termination from the group and the effective date of conversion health insurance coverage shall be the date of termination of group health insurance coverage.

(10) Before a group policy may be replaced, the employer shall give at least thirty (30) days written notice by certified mail to any employee covered under the replaced policy who will not be covered under the new policy.

Section 8. KRS 304.17A-080 is amended to read as follows:

(1) There is hereby created and established a Health Insurance Advisory Council whose duties shall be to review and discuss

with the commissioner any issues which impact the provision of health insurance in the state. The advisory council shall consist of seven (7) members: the commissioner plus six (6) persons appointed by the Governor with the advice of the commissioner to serve two (2) year terms. The commissioner shall serve as chair of the advisory council.

(2) The six (6) persons appointed by the Governor with the advice of the commissioner shall be:
  (a) Two (2) representatives of insurers currently offering health benefit plans in the state;
  (b) Two (2) practicing health care providers; and
  (c) Two (2) representatives of purchasers of health benefit plans.

(3) The council shall:
  (a) Review and discuss the design of the standard health benefit plan;
  (b) Review and discuss the rate-filing process for all health benefit plans;
  (c) Review and discuss the administrative regulations concerning this subtitle to be promulgated by the department;
  (d) Make recommendations on high-cost conditions as provided in subsection (5) of this section; and
  (e) Review and discuss other issues at the request of the commissioner.

(4) The advisory council shall be a budgetary unit of the department which shall pay all of the advisory council's necessary operating expenses and shall furnish all office space, personnel, equipment, supplies, and technical or administrative services required by the advisory council in the performance of the functions established in this section.

(5) No less than annually, the Health Insurance Advisory Council shall review the list of high-cost conditions established by the commissioner under KRS ***304.17A-005(20)***~~[304.17A-005(19)]~~ and 304.17A-280 and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes by administrative regulation the commissioner deems appropriate. The council, in making recommendations, and the commissioner, in making changes, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.

(6) For each calendar year that the Kentucky Guaranteed Acceptance Program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information that the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

Section 9. KRS 304.17A-210 is amended to read as follows:

Each insurer that issues health benefit plans in the individual market shall be required to issue health benefit plans in the individual market on a guaranteed-issue basis as follows:

(1) An eligible individual shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market;

(2) Except as provided in subsection (3) of this section, an individual who has been a resident of Kentucky for at least twelve (12) months shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market; and

(3) Except as provided in subsection (4) of this section, if the individual is a guaranteed acceptance program qualified individual and the insurer is a guaranteed acceptance program participating insurer, then the individual shall be entitled to have coverage issued under either:
  (a) The standard health benefit plan; or
  (b) The insurer's two (2) health benefit plans, other than the standard health benefit plan, sold by it in the individual market in Kentucky, or in the applicable marketing or service area as may be prescribed by the commissioner by administrative regulation, with the largest annual premium volume; except that the insurer shall make all necessary adjustments to the health benefit plans sold so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process. During the period of July 1, 1998, to June 30, 1999, the guaranteed acceptance program participating insurer may designate upon approval of the commissioner any health benefit plans made generally available to, and actively marketed in, the individual market as this option. The insurer shall make all necessary adjustments to the designated health benefit plans so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process.

(4) If the insurer does not generally operate in the individual market and has elected under KRS 304.17A-420(3)(a) to be a guaranteed acceptance program participating insurer without generally operating in the individual market, then an individual who is a guaranteed acceptance program qualified individual shall be entitled to have coverage issued from that insurer only under the standard health benefit plan.

(5) (a) No insurer, who was not offering health benefit plans in Kentucky on January 1, 1998, shall be required to accept annually under this section individuals who, in the aggregate, would cause the insurer to have a total number of new insureds with high-cost conditions as defined in KRS ***304.17A-005(20)***~~[304.17A-005(19)]~~ or which exceed an

insurer's underwriting guidelines as approved by the commissioner under KRS 304.17A-430(3)(b) per year that is more than one-half of one per cent (0.5%) of the total number of individuals insured by the insurer under individual health benefits plans issued or issued for delivery in the Commonwealth, calculated as of the immediately preceding thirty-first day of December.

(b) The commissioner shall, by administrative regulation, establish equitable enrollment limits for the first twelve (12) months, and any remaining portion of the calendar year after the expiration of that twelve (12) month period, in which an insurer first begins doing business in the individual market. These limits shall be based on the insurer's quarterly enrollment in health benefit plans offered in the individual market in the Commonwealth.

(c) An officer of the insurer shall certify to the department when it has met the enrollment limit established in this subsection. Upon providing this certification, the insurer shall be relieved of its guaranteed issue requirement under this section for the remainder of the calendar year.

(d) If all insurers that are required to offer coverage on a guaranteed-issue basis meet the enrollment limit established in this subsection prior to the end of the calendar year, then all such insurers shall again accept individuals for guaranteed issue coverage, subject to the enrollment limit established in this subsection.

(e) If certification of the enrollment limit would leave any county in the Commonwealth without an insurer to provide coverage in the individual market, the commissioner may require any insurer that meets the criteria in KRS 304.17A-420(1) to continue to offer coverage in that county. The commissioner shall proportionally increase the enrollment limit under this subsection for all other insurers that do not meet the criteria of KRS 304.17A-420(1).

(6) An insurer that elects to use the alternative underwriting mechanism under KRS 304.17A-430(3) shall offer to those insureds who are subject to the alternative underwriting mechanism the standard plan and the two (2) plans offered by the insurer with the largest premium volume for the last calendar year.

(7) For the purposes of this section and KRS 304.17A-250, insurers whose activities in the individual market are limited to the renewal of health benefit plans issued prior to July 15, 1995, shall not be deemed to be doing business in the individual market.

(8) Subsections (1) to (7) of this section shall not apply to a health benefit plan offered by an insurer if the coverage is made available in the individual market only through one (1) or more bona fide associations.

Section 10. KRS 304.17A-430 is amended to read as follows:

(1) A health benefit plan shall be considered a program plan and is eligible for inclusion in calculating assessments and refunds under the program risk adjustment process if it meets all of the following criteria:

(a) The health benefit plan was purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children. Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this criteria even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year;

(b) An individual entitled to benefits under the health benefit plan has been diagnosed with a high-cost condition on or before the effective date of the individual's coverage for coverage issued on a guarantee-issue basis after July 15, 1995;

(c) The health benefit plan imposes the maximum pre-existing condition exclusion permitted under KRS 304.17A-200;

(d) The individual purchasing the health benefit plan is not eligible for or covered by other coverage; and

(e) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A.

(2) Notwithstanding the provisions of subsection (1) of this section, if the total claims paid for the high-cost condition under a program plan for any three (3) consecutive years are less than the premiums paid under the program plan for those three (3) consecutive years, then the following shall occur:

(a) The policy shall not be considered to be a program plan thereafter until the first renewal of the policy after there are three (3) consecutive years in which the total claims paid under the policy have exceeded the total premiums paid for the policy and at the time of the renewal the policy also qualifies under subsection (1) as a program plan; and

(b) Within the last six (6) months of the third year, the insurer shall provide each person entitled to benefits under the policy who has a high-cost condition with a written notice of insurability. The notice shall state that the recipient may be able to purchase a health benefit plan other than a program plan and shall also state that neither the notice nor the individual's actions to purchase a health benefit plan other than a program plan shall affect the individual's eligibility for plan coverage. The notice shall be valid for six (6) months.

(3) (a) There is established within the guaranteed acceptance program the alternative underwriting mechanism that a

participating insurer may elect to use. An insurer that elects this mechanism shall use the underwriting criteria that the insurer has used for the past twelve (12) months for purposes of the program plan requirement in paragraph (b) of subsection (1) of this section for high risk individuals rather than using the criteria established in KRS ***304.17A-005(20)***~~[304.17A-005(19)]~~ and 304.17A-280 for high cost conditions;

(b) An insurer that elects to use the alternative underwriting mechanism shall make written application to the commissioner. Before the insurer may implement the mechanism, the insurer shall obtain approval of the commissioner. Annually thereafter, the insurer shall obtain the commissioner's approval of the underwriting criteria of the insurer before the insurer may continue to use the alternative underwriting mechanism.

(1) State employees as defined in KRS 18A.228 participating in the health insurance fund authorized in KRS 42.805 shall be given at least three (3) alternative plans from which participation may be chosen. One (1) plan shall require no fixed deductible expenses and reasonable co-payment ratios.

(2) State employees whose income is at or below one hundred percent (100%) of the nonfarm income official poverty guidelines as determined by the United States Department of Health and Human Services, may choose health insurance benefits ***that cover emergency medical services and basic inpatient hospital services, which shall include at least fourteen (14) days room and board and at least fifty percent (50%) of the related charges for physician's services***~~[described in KRS 304.18-025(2)(c) and (d)]~~.

SECTION 13. A NEW SECTION OF KRS CHAPTER 304.17A-500 TO 304.17A.570 IS CREATED TO READ AS FOLLOWS:

The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper.

(b) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any health benefit plan to a large group as defined in KRS 304.17A-005 shall file the rating

The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General may participate as a health insurance consumer intervenor and be considered a party to the hearing.

(b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.

(3) In approving or disapproving a filing under this section, the commissioner shall consider:

(6) Each insurer paying a risk assessment under KRS 304.17A-460 may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.

(7) The commissioner may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section.

"Section 11. The General Assembly finds that regulated telecommunication providers have expanded into unregulated lines of business, such as the provision of internet and cable television service, which may give them an unfair advantage over existing and new entrants. The General Assembly further finds that it is the intent of KRS 278.514 to grant the Public Service Commission the statutory authority to prohibit subsidization of nonregulated telecommunication services by regulated telecommunications providers. Currently, telecommunications providers are subject to cost allocation and affiliate transaction rules promulgated by the Federal Communications Commission (FCC) that govern accounting standards and pricing relationships between the regulated utility and unregulated programs or affiliates. However, passage of the 1996 Telecommunications Act is making the telecommunications industry more competitive, and formerly regulated telecommunications providers may be subject to new federal rules regarding cost allocation and affiliate transactions.

Section 12. The Special Subcommittee on Energy is directed to study whether an additional statutory remedy is necessary to prevent cross-subsidization of nonregulated telecommunication services, with a particular emphasis on internet service, provided by regulated telecommunications utilities or their affiliates. The Special Subcommittee on Energy shall also determine if regulated telecommunications providers have an undue advantage in the provision of nonregulated services such as internet. The Special Subcommittee shall identify existing federal and state laws, rules and regulations that govern cost allocation, affiliate transaction rules, and a code of conduct between regulated utilities and their nonregulated programs or affiliates. The Special Subcommittee shall also take into account the cost of enforcing and the additional statutory authority that may be required to allow the Public Service Commission to prevent cross-subsidization while maintaining a level playing field between all providers of unregulated telecommunications services.

Section 13. The Special Subcommittee shall submit a final report that shall include findings and recommendations to the Legislative Research Commission no later than November 15, 2001.

Section 14. Provisions of this bill to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified in Section 11 to 13 of this Act to an interim joint committee or subcommittee thereof, and to designate a study completion date.

The Senate Committee Substitute to **HB 202** is as follows:

HB 202, AN ACT relating to inherited metabolic disease.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the Cabinet for Health Services undertakes to pay shall be designated and limited by regulations promulgated by the cabinet, pursuant to the provisions in this section. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of Medical Assistance Program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for health services after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the

purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing-home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies, and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist. ***For purposes of this paragraph, drugs shall include those amino acid modified preparations and low-protein modified food products for the treatment of the following inherited metabolic diseases, if the amino acid modified preparations or low-protein modified food products are prescribed for therapeutic treatment and are administered under the direction of a physician, and are limited to the following conditions:***

1. Phenylketonuria;
2. Hyperphenylalaninemia;
3. Tyrosinemia (types I, II, and III);
4. Maple syrup urine disease;
5. A-ketoacid dehydrogenase deficiency;
6. Isovaleryl-CoA dehydrogenase deficiency;
7. 3-methylcrotonyl-CoA carboxylase deficiency;
8. 3-methylglutaconyl-CoA hydratase deficiency;
9. 3-hydroxy-3-methylglutaryl-CoA lyase deficiency (HMG-CoA lyase deficiency);
10. B-ketothiolase deficiency;
11. Homocystinuria;
12. Glutaric aciduria (types I and II);
13. Lysinuric protein intolerance;
14. Non-ketotic hyperglycinemia;
15. Propionic acidemia,
16. Gyrate atrophy;
17. Hyperornithinemia/hyperammonemia/homocitrullinuria syndrome;
18. Carbamoyl phosphate synthetase deficiency;
19. Ornithine carbamoyl transferase deficiency;
20. Citrullinemia;
21. Arginosuccinic aciduria;
22. Methylmalonic acidemia; and
23. Argininemia;

(d) Physician, podiatric, and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses shall be provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified in this paragraph;

(h) Services provided by health-care delivery networks as defined in KRS 216.900; and

(i) Services provided by midlevel health-care practitioners as defined in KRS 216.900.

(2) Payments for hospital care, nursing-home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Health Services with respect to the bases for payment. In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance

Program, the Cabinet for Health Services shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Medically equipped motor vehicles, vans, or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Health Services if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the Cabinet for Health Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for

reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

(11) The Cabinet for Health Services may make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Section 2. KRS 213.141 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, the cabinet shall prescribe by regulation a fee not to exceed five dollars ($5), to be paid for certified copies of certificates or records, or for a search of the files or records when no copy is made, or for copies or information provided for research, statistical, or administrative purposes.

(2) The cabinet shall prescribe by administrative regulation pursuant to KRS Chapter 13A a fee not to exceed ***ten***[~~nine~~] dollars ***($10)***[~~($9)~~] to be paid for a certified copy of a record of a birth, three dollars ($3) of which shall be used by the Cabinet for Health Services or the Cabinet for Families and Children for the sole purpose of contracting for the operation of private, not-for-profit, self-help, education, and support groups for parents who want to prevent or cease physical, sexual, or mental abuse of children***, and one dollar ($1) of which shall be used by the Division of Maternal and Child Health to pay for amino acid modified preparations and low-protein modified food products for the treatment of inherited metabolic diseases listed in subsection (1)(c) of Section 1 of this Act, if:***

(a) The amino acid modified preparations or low-protein modified food products are prescribed for the therapeutic treatment of inherited metabolic diseases listed in subsection (1)(c) of Section 1 of this Act and are administered under the direction of a physician; and

(b) The affected person's amino acid modified formula and foods are not covered under any public or private health benefit plan.

(3) Fees collected under this section by the state registrar shall be used to help defray the cost of administering the system of vital statistics.

(4) No fee or compensation shall be allowed or paid for furnishing certificates of birth or death required in support of any claim against the government for compensation, insurance, back pay, or other allowances or benefits for any person who has at any time served as a member of the Army, Navy, Marine Corps, or Air Force of the United States.

(5) The cabinet shall notify the State Board of Elections monthly of the name, address, birthdate, sex, race, and Social Security number of residents of the Commonwealth who died during the previous month. This data shall include only those persons who were over the age of eighteen (18) years at the date of death. No fee or compensation shall be allowed for furnishing these lists.

Section 3. KRS 214.155 is amended to read as follows:

(1) The administrative officer or other person in charge of each institution caring for infants twenty-eight (28) days or less of age and the person required in pursuance of the provisions of KRS 213.046 shall register the birth of a child, and cause to have administered to every such infant or child in its or his care tests for inborn errors of metabolism, including but not limited to phenylketonuria (PKU), in accordance with rules or regulations prescribed by the secretary of the Cabinet for Health Services. Testing, recording, and reporting of the results of such tests shall be performed at such times and in such manner as may be prescribed by the secretary of the Cabinet for Health Services or his designee. The secretary of the Cabinet for Health Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for inborn errors of metabolism.

(2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of such child on that ground.

(3) The cabinet shall make available the names and addresses of health care providers, including, but not limited to, physicians, nurses, and nutritionists, who may provide postpartum home visits to any family whose infant or child has tested positive for an inborn error of metabolism, including, but not limited to, PKU.

SECTION 4. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(2) Coverage for a newly born child shall consist of coverage of injury or sickness, including the necessary care and treatment of medically diagnosed inherited metabolic diseases.

(3) If payment of a specific premium or fee is required to provide coverage for a child, the policy or contract may require that notification of birth of a newly born child and payment of the required premium or fees must be furnished to the insurer within thirty-one (31) days after the date of birth in order to have the coverage continue beyond that thirty-one (31) day period.

(4) (a) For purposes of this subsection:

1. "Amino acid modified preparation" means a product intended for the dietary treatment of an inherited metabolic disease listed in subsection (1)(c) of Section 1 of this Act under the direction of a physician; and

2. "Low-protein modified food" means a product formulated to have less than one (1) gram of protein per serving and intended for the dietary treatment of an inherited metabolic disease listed in subsection (1)(c) of Section 1 of this Act under the direction of a physician.

(b) A health benefit plan that provides prescription drug coverage shall provide that coverage for amino acid modified preparations and low-protein modified food products for the treatment of inherited metabolic diseases if the amino acid products are prescribed for the therapeutic treatment of inherited metabolic diseases and are administered under the direction of a physician. Coverage under this subsection may be subject, for each plan year, to a cap of four thousand dollars ($4,000) on both individual medical food prescription expenditures and medical formulas, subject to annual inflation adjustments.

(5) The requirements of this section shall apply to all health benefit plans delivered on and after the effective date of this Act.

(6) Nothing in this section or Section 1, 2, or 3 of this Act shall be construed to require a health benefit plan to provide coverage for an amino acid modified preparation or low-protein modified food for the treatment of lactose intolerance, protein intolerance, food allergy, food sensitivity, or any other condition or disease not listed in subsection (1)(c) of Section 1 of this Act.

(1) For the purposes of this section and Sections 17 and 28 of this Act, "ignition interlock device" means a device that connects a motor vehicle ignition system or motorcycle ignition system to a breath alcohol analyzer and prevents a motor vehicle ignition or motorcycle ignition from starting if a driver's breath alcohol concentration, as defined in Section 1 of this Act, exceeds 0.02, as measured by the device.

(2) In lieu of ordering license plate impoundment under Section 19 of this Act of a person convicted of a second or subsequent violation of Section 2 of this Act, the court may order installation of an ignition interlock device as provided in this section as follows:

(a) Except as provided in paragraph (d) of this subsection, at the time that the court revokes a person's license under any provision of Section 5 of this Act other than subsection (1)(a) of Section 5 of this Act, the court shall also order that at the conclusion of the license revocation the person shall be prohibited from operating any motor vehicle or motorcycle without a functioning ignition interlock device.

(b) 1. The first time in a five (5) year period that a person is penalized under this section, a functioning ignition interlock device shall be installed for a period of six (6) months.

2. The second time in a five (5) year period that a person is penalized under this section, a functioning ignition interlock device shall be installed for a period of twelve (12) months.

4. The person whose license has been suspended for a second or third violation of Section 2 of this Act shall not be able to apply to the court for permission to install an ignition interlock device until the person has completed one (1) year of license suspension without any subsequent conviction for a violation of Section 2 or 7 of this Act. If the court grants permission to install an ignition interlock device, an ignition interlock device shall be installed on all vehicles owned or leased by the person whose license has been suspended.

(c) In determining the five (5) year period under paragraph (b) of this subsection, the period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered, resulting in the license revocations described in Section 5 of this Act.

(d) If the court finds that a person is required to operate a motor vehicle or motorcycle in the course and scope of the person's employment and the motor vehicle or motorcycle is owned by the employer, then the court shall order that the person may operate that motor vehicle or motorcycle during regular working hours for the purposes of his or her employment without installation of a functioning ignition interlock device on that motor vehicle or motorcycle if the employer has been notified of the prohibition established under paragraphs (a), (b), and (c) of this subsection.

functioning ignition interlock device, as provided in paragraph (d) of subsection (2) of this section;

(c) Direct the Transportation Cabinet to attach or imprint a notation on the driver's license of any person restricted under this section stating that the person shall operate only a motor vehicle or motorcycle equipped with a functioning ignition interlock device. (e) Require the person to have the device serviced and monitored at least every ninety (90) days for proper functioning by an entity approved by the Transportation Cabinet; and

(f) Require the person to pay the reasonable cost of leasing or buying, installing, servicing, and monitoring the device. The court may establish a payment schedule for the person to follow in paying the cost.

(b) Approve ignition interlock device installers who install functioning ignition interlock devices under the requirements of this section;

(d) Publish and periodically update on the Transportation Cabinet web site a list of the certified ignition interlock devices, the approved ignition interlock installers, and the approved servicing and monitoring entities;

The authority may negotiate with the approved company a different method of determining the base level of employment which would yield a more equitable result for the approved company, the Commonwealth, local jurisdictions, and the employees.

(4) To become eligible for inducements, the approved company shall create and maintain above the base level of employment an increase at the site of the economic development project of at least ***the number of jobs as set forth in subsection (2) of Section 6 of this Act which are filled by***[~~twenty-five (25)~~] full-time employees who are residents of the Commonwealth and who are subject to the Kentucky income tax.

b. In lieu of the credit against the local occupational license fee, an appropriation agreement with the authority and the local governmental entities by which the local governmental entities will appropriate funds in an amount equal to the amount of the credit of the local occupational license fee for the benefit of the approved company in a manner consistent with the applicable state laws.

If more than one (1) local occupational license fee is imposed upon the employees of the approved company, the assessment imposed upon the employees shall be credited against the local occupational license fee and shall be apportioned to each local occupational license fee according to each local occupational license fee's proportion to the total of all local occupational license fees for such employees. No credit, or portion thereof shall be allowed against any local occupational license fee imposed by or dedicated solely to a local board of education.

3. If in any fiscal year of the approved company during which the agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds fifty percent (50%) of the approved costs then expended, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the agreement is in effect the assessment collected from the wages of the employees exceeds fifty percent (50%) of the approved costs then expended, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.

In the event that all proceeds of any loan or other financing incurred in connection with the economic revitalization project are not fully expended within the five (5) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the five (5) year period.

(2) If the approved company elects to utilize the assessment as prescribed in KRS 154.26-100, a vote of the employees shall be taken by the approved company to approve or disapprove the withholding of the assessment. The vote shall be conducted in a manner approved by the authority.

(3) If the approved company elects to utilize the assessment, neither the appropriation agreement, if it is so used, nor the agreement shall be executed unless the assessment is approved by a majority of the employees voting. If the approved company elects not to utilize the assessment, no employee vote shall be required for the execution of the agreement.

(4) A majority vote of the employees of the approved company voting in favor of the assessment shall authorize the approved company to invoke the assessment on all employees of the approved company.

(5) Notwithstanding the provisions of this section, no approved company shall assess the wages of an employee who is party to an individual employment contract with the approved company, or the wages of an employee whose wages will fall below applicable federal or state minimum wage standards if the job revitalization assessment fee is imposed.

However, if the appropriation agreement is consummated, the assessment shall be five percent (5%) of each employee's gross wages subject to the income tax imposed by KRS 141.020.

(2) Each assessed employee shall be entitled to a credit against his Kentucky income tax required to be withheld under KRS 141.310 equal to two-thirds (2/3) of the assessment; or if the appropriation agreement is consummated, the credit shall be equal to four-fifths (4/5) of the assessment.

(3) Each assessed employee also shall be entitled to a credit against his local occupational license fee in the form of a simultaneous adjustment of his local occupational license fee withholding equal to one-sixth (1/6) of the assessment, unless the appropriation agreement is consummated.

(4) If an approved company shall elect to impose the assessment as a condition of employment or the retention of employment, it shall deduct the assessment from each paycheck of each employee subject to subsections (2) and (3) of this

section.

(5) Any approved company collecting an assessment as provided in subsection (1) of this section shall make its payroll books and records available to the authority at such reasonable times as the authority shall request, and shall file with the authority the documentation respecting the assessment the authority may require.

(6) Any assessment of the wages of the employees of an approved company pursuant to subsection (1) of this section shall permanently lapse upon expiration or termination of the agreement.

(7) Ninety (90) days after the filing of the tax return of the approved company, the Revenue Cabinet shall certify to the authority the Kentucky ~~[income]~~ tax liability for the preceding fiscal year of the approved company for which the return was filed of each approved company with respect to an economic development project financed through the issuance of bonds, loans, or other financing incurred in connection with the economic development project and the amounts of any tax credits and job revitalization assessment fees taken pursuant to KRS 154.26-010, 154.26-080, 154.26-090, and this section.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 161.230 TO 161.716 IS CREATED TO READ AS FOLLOWS:

(1) The board of trustees is authorized to provide a supplemental retirement benefit plan for the sole purpose of enabling the employer to apply the same formula for determining benefits payable to all employees covered by the retirement system, whose benefits under the retirement system are limited by Section 415 of the Internal Revenue Code of 1986, as amended from time to time. This plan is intended to constitute a qualified governmental excess benefit plan as described in Section 415 of the Internal Revenue Code.

(2) The board of trustees shall administer this plan and have full discretionary fiduciary authority to determine all questions in connection with the plan. The board of trustees may adopt procedural rules and administrative regulations and may employ and rely on any legal counsel, actuaries, accountants, and agents as it deems advisable to assist in the administration of this plan.

(3) All members and retired former members in the retirement system shall be eligible to participate in this plan whenever their benefits under the retirement system would exceed the limitation on benefits imposed by Section 415 of the Internal Revenue Code.

(4) On or after the effective date of this plan, the employer shall pay to each eligible member in the retirement system who retires on or after that date and to each former member who retired before that date and his or her beneficiaries a supplemental pension benefit, equal to the amount by which the benefit that would have been payable under the retirement system, without regard to any provision therein incorporating the limitation on benefits imposed by Section 415 of the Internal Revenue Code, exceeds the benefit actually payable, taking into account the limitation imposed on the retirement system by Section 415 of the code. These supplemental pension benefits shall be computed and payable under the same terms and conditions and to the same person as the benefits payable to, or on account of, an eligible member under the retirement system.

(5) Benefits payable under this plan shall not be subject to the dollar limit applicable to eligible deferred compensation plans under Section 457 of the Internal Revenue Code, nor to the "substantial risk or forfeiture" rules of Section 457(f) of the code applicable to ineligible deferred compensation plans. In addition, benefits payable under this plan shall not be taken into account in determining whether any other plan of the employer is an eligible deferred compensation plan under Section 457 of the code.

(6) Funding of benefits payable under this plan shall be provided by the state, as employer, and shall be segregated from funds that are maintained by the retirement system for payment of the regular benefits provided by the retirement system. The employer may establish a grantor trust for payment of benefits provided under this plan, with the employer treated as "grantor" thereof for purposes of Section 677 of the Internal Revenue Code. The rights of any person to receive benefits under this plan are limited to those of a general creditor of the employer.

SECTION 2. A NEW SECTION OF KRS 161.230 TO 161.716 IS CREATED TO READ AS FOLLOWS:

(1) The board of trustees is authorized to implement a limited defined contribution plan for the sole purpose of providing retirement allowance payments for retired members who have been approved by the retirement system for full-time reemployment as provided in Section 16 of this Act.

(2) The defined contribution plan shall be administered separately from the regular benefits provided for members of the retirement system, except that the contributions to the plan shall be invested in the same manner as other contributions to the retirement system.

(3) All retired members of the retirement system who are approved by the retirement system for full-time reemployment as provided in Section 16 of this Act shall be eligible to participate in the plan.

(4) Separate member accounts shall be maintained for participants in this plan which shall reflect the annual contributions made to the participant's account based on the rates and interest levels specified in Section 16 of this Act.

(5) When the retiree's reemployment terminates, the total contributions and accrued interest in the participant's account will be paid in a lump sum payment or on an actuarial straight life monthly basis to the retiree. If the member dies prior to making application for a retirement allowance under this plan, the beneficiary designated by the participant for this plan shall receive a refund of the funds in the account. If there is a remaining balance in the account at the death of the participant after retirement from this plan, it shall be paid to the beneficiary designated by the participant for this benefit.

(6) Retired members shall be eligible to receive their retirement annuity when approved for reemployment and participation in this plan. Service as a reemployed retiree may not be used in any manner for credit under the regular retirement benefit plans provided by the retirement system.

(2) The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to be used to appoint retired teachers and administrators to positions in critical shortage areas under this section and Section 16 of this Act. The administrative regulations shall assure that a retired teacher or administrator shall not be hired until the superintendent assures the commissioner of education that the superintendent has made every reasonable effort to recruit an active teacher or administrator for the position on an annual basis. The commissioner of education shall report members reemployed under this section to the Kentucky Teachers' Retirement System.

(3) If a local school district needs a person to fill a critical shortage position after reaching its quota established under Section 16 of this Act, the commissioner of education, with the approval of the executive director of the Kentucky Teachers' Retirement System, may allow the district to exceed its quota if the statewide quota has not been met.

On the basis of the results of such investigations, the board of trustees shall make necessary changes in the retirement system within the provisions of law and shall recommend the contributions payable by the state within the limits specified in KRS 161.550. At least once in each two (2) year period

the actuary shall make an actuarial valuation of the retirement system. The valuation shall include a description of the actuarial assumptions used, and such assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience.

(2) Actuarial factors ***and actuarial cost factor tables*** in use by the retirement system for all purposes shall be determined by the actuary of the retirement system and approved by the board of trustees ***by resolution and implemented without the necessity of an administrative regulation.***~~[, but]~~ The assets of the system shall be valued at market value, or at a modified market value determined by the board to be a prudent measure of asset value. ***Effective July 1, 1992, the***~~[For the period July 15, 1990, to June 30, 1992, the assumed rate of investment return shall be set at one and one-half (1 1/2) percentage points above the assumed rate of salary increase. (3) A copy of each actuarial investigation and valuation shall be forwarded to the Legislative Research Commission no later than ten (10) days after receipt by the board.

Section 8. KRS 161.420 is amended to read as follows:

All of the assets of the retirement system are for the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system. The board of trustees shall be the trustee of all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment, or repeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

(1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the income earned from investments during the immediate past fiscal year shall be set aside into the expense fund or expended for the administration of the retirement system;

(2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim these contributions shall be transferred from the teachers' savings fund to the guarantee fund. The accumulated contributions of a member shall be transferred from the teachers' savings fund to the allowance reserve fund in the event of retirement by reason of service or disability;

(3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities, survivor benefits, and death benefits, including any sums appropriated for meeting unfunded liabilities, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520, 161.525, and 161.655;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520, 161.525, and 161.655. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member;

(5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. One and five tenths percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from a state appropriation. The board of trustees may allocate~~[up to a maximum of one and sixty-five hundredths percent (1.65%) of]~~ the three and twenty-five hundredths percent (3.25%) of the total salaries of active members that the state appropriates annually as provided under KRS 161.550. All claims for benefits under KRS 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept and expend without limitation in a manner either expressed by the donor or deemed to be in the best interest of the membership, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at any time during a fiscal year, transfer from the guarantee fund to

the medical insurance fund an amount not to exceed four percent (4%) of the income earned from investments during the immediate past year.

(7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of section 403(b) of the Internal Revenue Code by a retired member of the Teachers' Retirement System with accounts that existed on or after July 1, 1996. The contributions shall not be picked up as provided in KRS 161.540(2). Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to manage this program.

(8) The supplemental retirement benefit fund shall consist of those funds contributed by the member and the employer for the purpose of constituting a qualified government excess benefit plan as described in Section 415 of the Internal Revenue Code for accounts that existed on or after July 1, 1996. The contributions shall not be picked up as provided in KRS 161.540(2). Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program.

(9) The defined contribution fund shall consist of those funds contributed by retired members who have been approved by the retirement system for full-time reemployment in a position covered by the retirement system and contributions made by the employer for the purpose of providing separate retirement allowances for periods of reemployment. Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program. The contributions shall not be picked up as provided in KRS 161.540(2).

Section 9. KRS 161.500 is amended to read as follows:

(1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

(2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

(3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.

(4) No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

Section 10. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

(4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment

without giving advance written or verbal notice of performing duty in the uniformed services shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.

(5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. The member shall pay the full actuarial cost of ***this***[~~the~~] service in the military reserves or the National Guard ***as provided in subsection (22) of Section 5 of this Act***. Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

Section 11. KRS 161.5465 is amended to read as follows:

On or after August 1, 1998, a member of the Teachers' Retirement System in active contributing status who has a minimum of twenty (20) years of service credit may purchase up to a maximum of five (5) years of service credit that is not otherwise purchasable under any of the provisions of KRS 161.230 to 161.716 and that meets the definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as ***provided in subsection (22) of Section 5 of this Act***[~~determined by the Teachers' Retirement System~~]. The payment shall not be picked up by the employer as described in KRS 161.540(2), and the member's payment shall be credited to the member's contribution account and shall be considered accumulated contributions of the member. Payment by the member may be by lump sum or by installment payments as provided in KRS 161.597.

Section 12. KRS 161.548 is amended to read as follows:

A member of the Teachers' Retirement System who is in an active contributing status with the system, and who was formerly employed in a regional community mental health and mental retardation service program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system, may obtain credit for the period of his service in the regional community mental health and mental retardation program by paying to the Teachers' Retirement System the full ***actuarial*** cost of the service credit purchased, as ***provided in subsection (22) of Section 5 of this Act***[~~determined by the system~~]. The service credit purchased may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1).[~~Payment for the service credit purchased may be made in installments in lieu of a lump-sum payment.~~] The payment shall not be picked up, as described in KRS 161.540(2), and the entire payment shall be placed in the teachers' savings fund.

Section 13. KRS 161.549 is amended to read as follows:

A member of the Teachers' Retirement System who is in an active contributing status with the system, and who was formerly employed by a Federal Head Start agency, operated under 42 U.S.C. secs. 9831 et seq., which does not participate in a state-administered retirement system, may obtain credit for the period of the member's service in the Head Start program by paying to the Teachers' Retirement System the full ***actuarial*** cost of the service credit purchased, as ***provided in subsection (22) of Section 5 of this Act***[~~determined by the system~~]. The service credit purchased may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). Payment for the service credit purchased may be made in installments in lieu of a lump-sum payment. The payment shall not be picked up, as described in KRS 161.540(2), and the entire payment shall be placed in the teachers' savings fund.

Section 14. KRS 161.553 is amended to read as follows:

(1) The cost of providing statutory benefit improvements for annuitants may be funded by annual appropriations from the state on an actuarial amortized basis over the lifetime of the annuitants. Section 15. KRS 161.595 is amended to read as follows:

(1) Upon service retirement, a member of the Teachers' Retirement System may obtain credit for all or any part of the service

otherwise creditable under the Kentucky Employees Retirement System, the County Employees Retirement System, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of ***the full actuarial cost of the service credit purchased as defined in subsection (22) of Section 5 of this Act***~~[such amount or amounts as are actuarially determined to be equal to the increased liability of the Teachers' Retirement System by virtue of such additional service credit.]~~ Such payments shall not be picked up, as described in KRS 161.540(2).

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

Section 16. KRS 161.605 is amended to read as follows:

(1) Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all substitute teachers without reduction in retirement annuities.

(2) A retired member may be employed as a part-time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.

(3) Retired members may be employed part-time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the one hundred (100) day limitation in this subsection. The board of trustees shall determine if employment in a nonteaching position qualifies for an exemption under this subsection.

(4) Members retired from an agency listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities participating in the Teachers' Retirement System, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.

(5) Calculation of the number of days for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.

(6) When a retired member returns to employment as a part-time teacher or in a nonteaching capacity as provided in subsections (2), (3), and (4) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for nonuniversity and university members.

(7) The board of trustees shall provide for reemployment of retired members as full-time teachers or in a nonteaching capacity under the following conditions:

(a) A retired teacher or administrator may return to full-time teaching in a position that has been determined by the commissioner of education to be a critical shortage area as defined in Section 3 of this Act and for which the person is certified. When the commissioner of education certifies to the retirement system that qualified applicants are not available to fill teaching or administrative positions in critical academic subject areas, grade levels, or geographic areas, local school districts may employ, as full-time employees, during a school fiscal year, up to a maximum of two (2) retired members, or one percent (1%) of the total active members of the retirement system in a school district, whichever is greater. Retired members who are reemployed in a full-time position covered by the retirement system shall be rehired on a one (1) year contract in a district other than the one from which they retired following an absence of at least three (3) months or in the same district from which they retired following an absence of at least one (1) year.

(b) Retired members reemployed under this section shall remain eligible to receive their retirement annuity.

(c) Retired members reemployed under this subsection shall waive their health insurance coverage with the retirement system during the period of reemployment and receive health insurance coverage that is provided to regular full-time employees of the district.

(d) Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at rates determined by the retirement system's actuary that reflect accrued liability for nonuniversity members.

(e) Retirees who are reemployed under this provision shall make retirement contributions to the retirement system at rates specified under KRS 161.540 and the employer shall make contributions to the retirement system at rates specified under KRS 161.550. The member's entire contribution and a matching amount from the employer's contribution shall be placed in a separate defined contribution fund administered by the retirement

system, with annual interest applied at the actuarially assumed rate. When the retiree's reemployment terminates, the total contributions with interest will be paid in a lump sum or on a monthly straight life basis to the retiree. If the member dies before retiring, the designated beneficiary shall receive a refund, and if there is a remaining balance at the death of the member after retirement, it shall be paid to the beneficiary designated by the member for this benefit.

(f) The provisions pertaining to the reemployment of retired members as full-time employees shall be granted by the board of trustees when it is deemed necessary to assist school districts in filling teaching or nonteaching positions in critical academic or geographic areas and when doing so would not create a significant negative impact on the funding status of the retirement system. The provisions of this subsection are optional with the board of trustees and shall not be covered under KRS 161.714.

Section 17. KRS 161.607 is amended to read as follows:

(1) Any member of the Teachers' Retirement System who enters employment covered by the Kentucky Employees Retirement System, the State Police Retirement System, or the County Employees Retirement System, prior to July 1, 1976, may retain membership in the Teachers' Retirement System instead of joining the new system.

(2) Retention of membership in the Teachers' Retirement System by any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System shall be effected by conforming with KRS 61.680(4)(c). Members of the General Assembly who retain membership shall make retirement contributions based upon their annual compensation as defined under KRS 161.220 or on their creditable compensation as defined under KRS 61.510, whichever is the larger amount. Service as a member of the General Assembly may be used to meet the service requirements of KRS 61.680(2)(a)~~[and 161.510]~~ regardless of the system to which contributions are made by the member.

(3) Any member of the Teachers' Retirement System entering employment as described in subsection (1) of this section must exercise the option within ninety (90) days of the beginning of such employment.

(4) Persons who enter service covered by the Teachers' Retirement System prior to July 1, 1976, and who hold membership in a Kentucky retirement system financed in whole or part with public funds may retain membership in that system providing the statutes and regulations governing said system make continued membership possible.

(5) Any person who has elected an option provided in this section may cancel such election and gain membership in the system which normally covers the position in which currently employed, provided that such cancellation of option election must be completed prior to January 1, 1977.

Section 18. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

  (a) For retirements effective July 1, 1998, and thereafter, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university. The annual retirement allowance for each year of service performed at state colleges or universities that participate in the Teachers' Retirement System shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section; and

  (b) The retirement allowance of a member at retirement shall not exceed the member's last annual compensation or the member's final average salary, whichever is the greater amount.

(2) Effective July 1, 1990, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one and one-half percent (1.5%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than ***three hundred twenty-five dollars ($325) effective July 1, 2000, and three hundred thirty-five dollars ($335) effective July 1, 2001***~~[three hundred dollars ($300) effective July 1, 1998, and not less than three hundred ten dollars ($310) effective July 1, 1999]~~, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.

(4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

(5) Effective July 1, ***2000***~~[1998]~~, the monthly allowance of each member retired for at least one (1) year, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***eight-tenths of one percent (0.8%)***~~[one and one-half percent (1.5%)]~~ of the monthly allowance in effect the previous month. The level of increase provided for in this subsection shall be determined by the funding provided in the ***2000-2002***~~[1998-2000]~~ biennium budget appropriation.

(6) Effective July 1, ***2001***[~~1999~~], the monthly allowance of each member retired for at least one (1) year, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed ***one percent (1.0%)***[~~one and one-half percent (1.5%)~~] of the monthly allowance in effect the previous month. The level of increase provided for in this subsection shall be determined by the funding provided in the ***2000-2002***[~~1998-2000~~] biennium budget appropriation.

(7) Effective July 1, 1990, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code as enacted in 1988.

(9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall ***not be used in determining a member's regular retirement annuity but shall be used in determining retirement allowance payments under the supplemental retirement plan of the retirement system which is intended to constitute a qualified governmental excess benefit plan as provided in Section 415 of the Internal Revenue Code***[~~be disregarded~~]. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active teacher for unused sick-leave days in accordance with this section.

(2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620. Such sick-leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 161.600.

(3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.

(4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(9) or any other statutory provision.

(5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.

(6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.

(7) Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(9) shall be based on the full actuarial cost as defined in subsection (22) of Section 5 of this Act.

Section 20. KRS 161.655 is amended to read as follows:

(1) Effective July 1, ***2000***[~~1998~~], ***the Teachers' Retirement System shall provide a life insurance benefit in a minimum amount of five thousand dollars ($5,000) for its members who are retired for service or disability. This life insurance policy shall be payable*** upon the death of an active contributing member[~~, a death benefit of two thousand dollars ($2,000) shall be paid~~] to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Application for ***payment of life insurance proceeds***[~~the death benefit~~] shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the ***coverage and payment of proceeds by the life insurance benefit***[~~payment of death benefits~~] under this section.

(2) Suit or civil action shall not be required for the collection of the ***proceeds of the life insurance***[~~death~~] benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the ***proceeds of the life insurance***[~~death~~] benefit.

Section 21. KRS 161.675 is amended to read as follows:

(1) ***The board of trustees shall arrange by appropriate contract or on a self-insured basis to provide a broad program of group hospital and medical insurance for present and future eligible recipients of a retirement allowance from the Teachers' Retirement System. The board of trustees may also arrange to provide health insurance coverage by health maintenance organizations as defined in KRS 18A.225 as an alternative to group hospital and medical insurance for persons eligible for hospital and medical benefits under this section. The board of trustees may authorize present and future eligible recipients of a retirement allowance from the Teachers' Retirement System who are less than age sixty-five (65), to be included in the state-sponsored health insurance that is provided to active teachers and state employees under KRS 18A.225***[~~(a) The board of trustees shall enter into contracts with insurance carriers or other health care providers for the purpose of providing a program of hospital and medical insurance coverage to members who are age sixty-five (65) or older and retired for service.~~

~~(b) The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty-five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.~~

~~(c) The board of trustees may offer, on a cost basis, coverage of spouses and dependents not eligible for regular coverage~~].

(2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage ***and eligibility conditions*** to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS[~~ 161.510 and~~] 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(3) ***All expenses for benefits under this section shall be paid from the funding provisions contained in subsection (5) of Section 8 of this Act, premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute.***

(4) (a) The board of trustees shall determine the amount of health insurance supplement payments that the Teachers' Retirement System will provide to assist eligible recipients of a retirement allowance in paying the cost of their health insurance, based on the funds available in the medical insurance fund. The board of trustees shall establish the maximum monthly amounts of health insurance supplement payments that will be made by the retirement system for eligible recipients of a retirement allowance. The board of trustees shall annually establish the percentage of the maximum monthly health insurance supplement payment that will be made, based on age and years of service credit of eligible recipients of a retirement allowance. Monthly health insurance supplement payments made by the retirement system may not exceed the amount of the single coverage insurance premium chosen by the eligible recipients of a retirement allowance. In order to qualify for health insurance supplements made by the retirement system, the recipient of a supplement payment must agree to pay the difference between the insurance premium and the applicable supplement payment, by payroll deduction from his retirement allowance, or by a payment method approved by the retirement system.

(b) The board of trustees may offer, on a full-cost basis, health care insurance coverage provided by the retirement system to spouses and dependents of eligible retirees not eligible for regular coverage. Recipients of a retirement allowance from the retirement system must agree to pay the cost of this coverage by payroll deduction from their retirement allowance or by a payment method approved by the retirement system.

(c) The board of trustees shall offer, on a full-cost basis, health insurance coverage provided by the retirement system to the disabled child of a retired member, regardless of the age of the disabled child. A child shall be considered disabled for purposes of this section if the child has been determined to be eligible for Federal Social Security disability benefits.

(5) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.

(6) ***The board of trustees may approve health insurance supplement payments to eligible retirees or recipients who are less than sixty-five (65) years of age, as reimbursement for hospital and medical insurance premiums made by retirees for their individual coverage. Eligible retirees or recipients are those retirees or recipients who are not eligible for Medicare and who do not reside in Kentucky or in an area outside of Kentucky where comparable coverage is available. The reimbursement payments shall not exceed the minimum supplement payment that would have been made had the retiree lived in Kentucky. Eligible retirees or recipients shall submit proof of payment to the retirement system for hospital and medical insurance that they have obtained. Reimbursement payments shall be made on a quarterly basis.***

(7)[~~(4)~~]Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.

(8)[~~(5)~~]The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.

(9)[~~(6)~~]Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.

(2) A member who purchases service credit~~[for military service]~~ shall ***file an application with the board within the five (5) year period. The member shall*** pay to the fund~~[in a lump sum one hundred percent (100%) of]~~ an amount which shall be determined by actuarial method consistent with the methods prescribed for determining the purchase of prior service credit ***which shall be the principal***.

(4) If payments are made by installment, the cost of purchasing the service credit shall be recalculated annually based upon the member's current salary, the interest rate established by the commissioner of finance, and other factors required by the actuarial method. The member's payments shall be adjusted annually to reflect the annual recalculation of the cost of purchasing service credit. Installment payments shall be consecutive and the total number of monthly installments shall not be less than twelve (12) or more than two hundred forty (240). The member shall pay the installments by payroll deduction.

(5) Payments shall not be considered accumulated contributions of the member and shall not be picked up by the urban-

county government. No employer contribution shall be paid on the installments. The board shall determine how much of the total cost represents payment for one (1) quarter of the service to be purchased and the member shall receive service credit for one (1) quarter of the service each time this amount is paid.

(6) If the member dies, retires, or ceases to be a member of the fund before he has made all installment payments for the purchase of service credit, the fund shall refund to the member, his qualified surviving spouse, or his estate, the portion of any payment that does not represent a full quarter of service.

(8) The member may cancel a purchase obligation at any time, but once canceled, a member shall have forever forfeited, waived, and relinquished the right to purchase service credit.

Section 3. KRS 67A.430 is amended to read as follows:

Fractional periods of service shall be considered in the calculation of such annuities according to the aforesaid rate. (2) Any retiree or surviving spouse who as of January 1, 1996, is receiving a monthly annuity of less than the amount established as the poverty guideline for a single person by the United States Department of Commerce shall have the pension increased to the amount established as the poverty guideline for calendar year 1996, and the board may increase this annuity as provided by KRS 67A.690(1).

Section 4. KRS 67A.460 is amended to read as follows:

(1) If a total and permanent occupational disability occurs, the member shall receive an annuity calculated pursuant to subsection (2) of this section. (4) If a member is eligible for a service retirement annuity under KRS 67A.410(1) or (2) and the amount of his service retirement annuity would exceed the amount of his total and permanent occupational disability annuity, as determined by the board under this section, then the member may elect to receive an additional service retirement annuity payment equal to the amount by which his service retirement annuity would have exceeded the amount of his total and permanent occupational disability annuity, in addition to his disability annuity, by filing with the board the application required by KRS 67A.410. A member who is eligible for a certificate entitling him to a service retirement annuity under KRS 67A.410(2) shall not be eligible to receive this additional service retirement annuity payment until he attains the age of forty-six (46).

The amount of any such optional survivorship allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him. The member may elect either of two (2) options:

 (a) Survivorship seventy-five percent (75%). The member may elect to receive a decreased retirement allowance during his lifetime and have seventy-five percent (75%) of such retirement allowance continue after his death to his eligible widow until her death or remarriage.

 (b) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued at the same rate after his death to his eligible widow until her death or remarriage.

Section 6. KRS 67A.500 is amended to read as follows:

(1) Upon withdrawal from service prior to retirement, a member shall be entitled to receive a refund of the amount of contributions made by the member or picked up by the urban-county government pursuant to KRS 67A.510(2) after the date of establishment, without interest. Payments of picked up employee contributions shall be subject to state and federal tax as appropriate.

(2) Any member receiving a refund of contributions shall thereby ipso facto forfeit, waive, and relinquish all accrued rights and benefits in the system, including all credited and creditable service. The board may, in its discretion, regardless of cause, withhold payment of a refund for a period not to exceed six (6) months after receipt of an application from a member.

(3) Any member who has received a refund shall be considered a new member upon subsequent reemployment if such person qualifies for membership under ***KRS 67A.360 to 67A.690***[~~the provisions hereof~~]. ***Any member who is reemployed after withdrawing from service and who received a refund of contributions shall, within ninety (90) days of his reemployment or prior to retirement, whichever occurs first,***[~~After the completion of at least five (5) years of continuous membership service following his latest reemployment, such member shall have the right to~~] make a repayment to the system of the amount or amounts previously received as ***a*** refund, including[~~ six percent (6%)~~] interest ***at the rate determined by the board to be the actual rate of return on investments made by the board, but not less than three percent (3%) per annum,*** from the dates of ***the*** refund to the date of repayment***, compounded annually***. Upon the restoration of such refunds,[~~ as herein provided,~~] such member shall have reinstated to his account all credited service represented by the refunds of which repayment has been made. Repayment of refunds by any member shall include all refunds received by a member prior to the date of his last withdrawal from service***, with interest,*** and shall be made in a single ***lump*** sum ***payment***.[~~ Such~~] Repayments shall not be picked up by the urban-county government. ***If repayment is not made within the specified time period, the member shall have forever forfeited, waived, and relinquished the right to have reinstated to his account the credited service represented by the refunds for which repayment was not made, but shall not be precluded from purchasing service credit as provided in Section 2 of this Act.***

(4) Any member who has received, or who is entitled to receive, a refund, but who within six (6) months of becoming entitled to receive such refund, qualifies for membership under the provisions of a fund in effect in another government, or city of the second class, adopted pursuant to law, shall have the option of paying his refund into such other fund, in which event he shall be deemed a member of such other fund and his account therein shall be credited with all contributions, including those picked up pursuant to KRS 67A.510(2), and service under his original fund.

Section 7. KRS 67A.530 is amended to read as follows:

(1) The responsibility for the proper operation of the fund and the direction of its policies shall be vested in a board of trustees of ***twelve (12)***[~~eleven (11)~~] members, consisting of the mayor, the commissioner of public safety, the commissioner of finance, the director of ***human resources***[~~personnel~~], ***two (2)***[~~one (1)~~] retired ***members***[~~member~~] of the fund, the chiefs of the police and fire department, and two (2) active members of each department, who shall be elected by ballot by the active members of the respective departments and shall serve for alternating terms of two (2) years under rules adopted by the board. One of the active members representing each department shall be elected on even-numbered years; and the other active member representing such department shall be elected on odd-numbered years. In the event of a vacancy of an elected member, the pension board shall fill the vacancy by appointment until the next regular election.

(2) The retired fund ***members***[~~member~~] shall be selected by retired fund members by ballot to serve[~~ a~~] two (2) year ***terms***[~~term~~]. ***One (1) retired fund member shall be a retired fire department member, and the other shall be a retired police department member.*** Retired fund members ***of a department*** shall submit the names of at least three (3) nominees ***from their department*** to the pension board not less than three (3) months before the term of office is due to expire.[~~ For the term beginning October 15, 1990, names of nominees shall be submitted to the pension board by no later than July 15, 1990.~~] The pension board shall cause to be prepared an official ballot which shall be distributed to all retired fund members by mail to their last known address. The ballot shall contain the name, address, and former ***department***[~~position~~] of each of the[~~ three (3)~~] candidates. Retired fund members shall vote for one (1) candidate ***from each department*** by marking a square opposite the name of the candidate of his choice and returning the marked ballot to the secretary of the pension board. Votes shall be tabulated by a committee of three (3) pension board members appointed by the chairman for that purpose. The tabulating committee shall report in writing to the pension board the results of the election and the name of the retired fund member who shall serve on the board. (f) Registers;

(g) Types of appointments;

(h) Attendance; hours of work; compensatory time; annual, court, military, sick, voting, and special leaves of absence, provided that the secretary shall not promulgate administrative regulations that would reduce the rate at which employees may accumulate leave time below the rate effective on December 10, 1985***; and***

(i) Employee evaluations.

(2) The secretary shall promulgate comprehensive administrative regulations for the unclassified service.

(3) (a) Except as provided by KRS 18A.355, the secretary shall not promulgate administrative regulations that would reduce an employee's salary; and

(b) As provided by KRS 18A.0751(4)(e), the secretary may submit a proposed administrative regulation providing for an initial probationary period in excess of six (6) months to the board for its approval.

(4) The secretary may promulgate administrative regulations to implement state government's affirmative action plan under KRS 18A.138.

(5) (a) The administrative regulations shall comply with the provisions of this chapter and KRS Chapter 13A, and shall have the force and effect of law after compliance with the provisions of KRS Chapters 13A and 18A and the procedures adopted thereunder;

(b) Administrative regulations promulgated by the secretary shall not expand or restrict rights granted to, or duties imposed upon, employees and administrative bodies by the provisions of this chapter; and

(c) No administrative body other than the Personnel Cabinet shall promulgate administrative regulations governing the subject matters specified in this section.

(6) Prior to filing an administrative regulation with the Legislative Research Commission, the secretary shall submit the administrative regulation to the board for review.

(a) The board shall review the administrative regulation proposed by the secretary not less than twenty (20) days after its submission to it;

(b) Not less than five (5) days after its review, the board shall submit its recommendations in writing to the secretary;

(d) After the secretary has completed the review provided for in this section, he may file the proposed administrative regulation with the Legislative Research Commission pursuant to the provisions of KRS Chapter 13A.

(7) The administrative regulations shall provide:

(a) For the preparation, maintenance, and revision of a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class. The secretary shall allocate the position of every employee in the classified service to one (1) of the classes in the plan. The secretary shall reallocate existing positions, after consultation with appointing authorities, when it is determined that they are incorrectly allocated, and there has been no substantial change in duties from those in effect when such positions were last classified. The occupant of a position being reallocated shall continue to serve in the reallocated position with no reduction in salary;

(b) For a pay plan for all employees in the classified service, after consultation with appointing authorities and the state budget director. The plan shall take into account such factors as:

1. The relative levels of duties and responsibilities of various classes of positions;
2. Rates paid for comparable positions elsewhere taking into consideration the effect of seniority on such rates; and
3. The state's financial resources.

Amendments to the pay plan shall be made in the same manner. Each employee shall be paid at one (1) of the rates set forth in the pay plan for the class of position in which he is employed, provided that the full amount of the annual increment provided for by the provisions of KRS 18A.355, and the full amount of an increment due to a promotion, salary adjustment, reclassification, or reallocation, shall be added to an employee's base salary or wages;

(c) For open competitive examinations to test the relative fitness of applicants for the respective positions. The examinations shall be announced publicly and applications accepted at least ten (10) days prior to certification of a register, and may be advertised through the press, radio, and other media. The secretary shall continue to receive applications and examine candidates on a continuous basis long enough to assure a sufficient number of eligibles to meet the needs of the service. Except as provided by this chapter, he shall add the names of successful candidates to existing eligible lists in accordance with their respective ratings. The secretary shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness, which in his judgment, serves the need to discover the relative fitness of applicants;

(d) As provided by this chapter, for the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations. Except as provided by this chapter, an eligible's score shall expire automatically one (1) year from the date of testing, unless the life of the score is extended by action of the secretary for a period not to exceed one (1) additional year. Except for those individuals exercising reemployment rights, all eligibles may be removed from the register when a new examination is established;

(e) For the rejection of candidates or eligibles who fail to comply with reasonable requirements of the secretary in regard to such factors as age, physical condition, training, and experience, or who have attempted any deception or fraud in connection with an examination;

(f) Except as provided by this chapter, for the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(g) For annual, sick, and special leaves of absence, with or without pay, or reduced pay, after approval by the Governor as provided by KRS 18A.155(1)(d);

(h) For layoffs, in accordance with the provisions of KRS 18A.113, 18A.1131, and 18A.1132, by reasons of lack of work, abolishment of a position, a material change in duties or organization, or a lack of funds;

(i) For the development and operation of programs to improve the work effectiveness of employees in the state service, including training, whether in-service or compensated educational leave, safety, health, welfare, counseling, recreation, employee relations, and employee mobility without written examination;~~[and]~~

(j) ***For a uniform system of annual employee evaluation for classified employees, with status, that shall be considered in determining eligibility for discretionary salary advancements, promotions, and disciplinary actions. The administrative regulations shall:***

1. Require the secretary to determine the appropriate number of job categories to be evaluated and a method for rating each category;

2. Provide for periodic informal reviews during the evaluation period which shall be documented on the evaluation form and pertinent comments by either the employee or supervisor may be included;

3. Establish a procedure for internal dispute resolution with respect to the final evaluation rating;

4. Permit a classified employee, with status, who receives either of the two (2) lowest possible evaluation ratings to appeal to the Personnel Board for review after exhausting the internal dispute resolution procedure. The final evaluation shall not include supervisor comments on ratings other than the lowest two (2) ratings ;

5. Require that an employee who receives the highest possible rating shall receive the equivalent of two (2) workdays, not to exceed sixteen (16) hours, credited to his or her annual leave balance. An employee who receives the second highest possible rating shall receive the equivalent of one (1) workday, not to exceed eight (8) hours, credited to his or her annual leave balance; and

After reconsideration of the request by the secretary, the employee may appeal to the board.

The board shall conduct a hearing to determine whether the records related to the employee, applicant, or eligible, and whether his right to inspect or copy these records was denied, abridged, or impeded. If the board determines that the records related to the employee and that the right to inspect or copy these records has been denied, abridged, or impeded, the board shall order the public agency to make them available for inspection and copying and shall charge the cost of the hearing to the public agency. A state employee, an applicant for employment, and an eligible on a register shall not have the right to inspect or to copy any examination materials.

(13) Any classified employee may appeal to the board an action alleged to be based on discrimination due to race, color, religion, national origin, sex, disability, or age forty (40) and above. (14) When an eligible's name is removed from a register, the secretary shall notify the eligible of his action and the reasons therefor, together with his right of appeal. (b) Any applicant whose application for admission to an open-competitive examination has been rejected shall be notified of this rejection and the reasons therefor and may appeal to the board for reconsideration of his qualifications and for admission to the examination. Applicants may be conditionally admitted to an examination by the secretary pending reconsideration by the board;

(c) Any applicant who has taken an examination may appeal to the board for a review of his rating in any part of the examination to assure that uniform rating procedures have been applied equally and fairly;

(d) An appeal to the board by applicants or eligibles under subsections (11) and (13) of this section and under this subsection shall be filed in writing with the executive director not later than thirty (30) calendar days after the notification of the action in question was mailed.

(16) An evaluation may be appealed to the board if an employee has complied with the review procedure established ***in subsection (7)(j) of Section 1 of this Act***~~[under KRS 18A.112]~~.

(19) (a) The board may deny a hearing to an employee who has failed to file an appeal within the time prescribed by this section; and to an unclassified employee who has failed to state the reasons for the appeal and the cause for which he has been dismissed. The board may deny any appeal after a preliminary hearing if it lacks jurisdiction to grant relief. The board shall notify the employee of its denial in writing and shall inform the employee of his right to appeal the denial under the provisions of KRS 18A.100;

(b) Any investigation by the board of any matter related to an appeal filed by an employee shall be conducted only upon notice to the employee, the employee's counsel, and the appointing authority. All parties to the appeal shall have access to information produced by the investigations and the information shall be presented at the hearing.

(20) Each appeal shall be decided individually, unless otherwise agreed by the parties and the board. The board shall not:

(a) Employ class action procedures; or

(b) Conduct test representative cases.

(21) Board members shall abstain from public comment about a pending or impending proceeding before the board. This shall

(22) An appeal to the board may be heard by the full board or one (1) or more of the following: Its executive director, its general counsel, any nonelected member of the board, or any hearing officer secured by the board pursuant to KRS 13B.030.

(23) (a) If the board finds that the action complained of was taken by the appointing authority in violation of laws prohibiting favor for, or discrimination against, or bias with respect to, his political or religious opinions or affiliations or ethnic origin, or in violation of laws prohibiting discrimination because of such individual's sex or age or disability, the appointing authority shall immediately reinstate the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole unless the order is stayed by the board or the court on appeal;

(b) If the board finds that the action complained of was taken without just cause, the board shall order the immediate reinstatement of the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole unless the order is stayed by the board or the court on appeal;

(c) If the board finds that the action taken by the appointing authority was excessive or erroneous in view of all the surrounding circumstances, the board shall direct the appointing authority to alter, modify, or rescind the disciplinary action;

(d) In all other cases, the board shall direct the appointing authority to rescind the action taken or otherwise grant specific relief or dismiss the appeal.

(24) If a final order of the board is appealed, a court shall award reasonable attorney fees to an employee who prevails by a final adjudication on the merits as provided by KRS 453.260. This award shall not include attorney fees attributable to the hearing before the board.

(25) When any employee is dismissed and not ordered reinstated after the appeal, the board in its discretion may direct that his name be placed on an appropriate reemployment list for employment in any similar position other than the one from which he had been removed.

(26) After a final decision has been rendered by the board or court, an employee who prevails in his appeal shall be credited with the amount of leave time used for time spent at his hearing before the board or court. Employees who had an insufficient amount of leave time shall be credited with leave time equal to the amount of time spent at their hearings before the board or court.

(27) If the appointing authority appeals the final order of the board, unless the board rules otherwise, the reinstated employee shall remain in his former position, or a position of like status or pay, until the conclusion of the appeals process, at which time the appointing authority shall take action in accordance with the court order.

(28) For the purposes of subsections (3), (4), (5), (6), (7), and (8) of this section, the word "agency" means any agency not assigned to a cabinet for organizational purposes.

(29) Notwithstanding any other prescribed limitation of action, an employee that has been penalized, but has not received a written notice of his or her right to appeal as provided in this section, shall file his or her appeal with the Personnel Board within one (1) year from the date of the penalization or from the date that the employee reasonably should have known of the penalization.

Section 3. KRS 18A.355 is amended to read as follows:

The employee's base salary or wages shall be increased by the amount of the annual increment. When any increment due to a promotion, reallocation, reclassification or salary adjustment is granted an employee, the employee's base salary or wages shall be increased by the amount of such increment. An employee's base salary or wages shall not be increased by the amount of lump-sum payment awarded under ***subsection (7)(j) of Section 1 of this Act***~~[the provisions of KRS 18A.112 awarded him]~~.

As used in this subsection, "future losses" may include reserves for incurred but not reported claims.

(13) The department shall conduct examinations of insurers and stop-loss carriers reasonably necessary to determine if the information provided by the insurers or stop-loss carriers is accurate.

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, a GAP participating insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.

(8)[(9)]For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.

(9)[(10)] Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

(10)[(11)] Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

Section 20. KRS 304.17A-150 is amended to read as follows:

(1) On and after July 15, 1995, it is an unfair trade practice for an insurer, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of [paragraphs (a) and (b) of]this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured, except as provided in Sections 1 to 16 of this Act.

(3) It shall constitute an unfair trade practice for any insurer, insurance agent, or third-party administrator to refer an individual employee to Kentucky Access, [the Kentucky guaranteed acceptance program] or to arrange for an individual employee to apply to Kentucky Access [that plan], for the purpose of separating an employee from group health insurance coverage provided in connection with the individual's employment.

(4) It is an unfair trade practice for an insurer that offers multiple health benefit plans to require a health care provider, as a condition of participation in a health benefit plan of the insurer, to participate in any of the insurer's other health benefit plans. In addition to the proceedings and penalties provided in this chapter for violation of this provision, a contract violating this subsection is void.

(5) It is an unfair trade practice for an insurer not to compute an insured's coinsurance or cost sharing on the basis of the amount actually received by a health-care provider from the insurer.

(6)[(5)]The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any insurer that fails to pay an assessment under Section 11 of this Act[KRS 304.17A-470]. As an alternative, the commissioner may levy a civil penalty on any member insurer that fails to pay the assessment when due. The civil penalty shall not exceed five percent (5%) of the unpaid assessment per month, but no civil penalty shall be less than one hundred dollars ($100) per month.

(7)[(6)]The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by this section.

Section 21. KRS 304.17A-250 is amended to read as follows:

(1) The commissioner shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after June 30, 1998. As a condition of doing business in the [individual or]small group market in the Commonwealth, the health insurer shall offer the standard health benefit plan, but the extent to which the standard health benefit plan shall be offered on a guaranteed issue basis shall only be as provided in KRS 304.17A-200[and 304.17A-210]. As a condition of doing business in the individual market on or after January 1, 2001, a health insurer shall offer the standard health benefit plan. Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially, the standard health benefit plan shall be the standard high plan in effect on April 10, 1998.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point-of-service type; and

(d) A preferred provider organization type.

(3) The standard health benefit plan shall be defined so that it meets the requirements of Section 11 of this Act [KRS 304.17A-430] for inclusion in calculating assessments and refunds under Kentucky Access [the guaranteed acceptance program].

(4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.

(5) Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under KRS 304.17A-200, [304.17A-210,]304.17A-220, 304.17A.230, and 304.17A-240.

(6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

(7) (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the principal benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the principal exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(8) All health benefit plans shall cover hospice care at least equal to the Medicare benefits.

(9) All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(10) Every health insurer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers an insurance policy in this state that directs or gives any incentives to insureds to obtain health care services from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the insurer or an agreement by the provider to abide by the terms for participation established by the insurer. This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(11) A self-insured plan may select any third party administrator licensed under KRS 304.9-052 to adjust or settle claims for persons covered under the self-insured plan.

(12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a properly completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an applicant or insured with a disclosed high-cost condition as specified in Section 1 of this Act or for any reason, shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the [specific high-cost condition that is the] basis for refusing to issue a policy, a description of Kentucky Access, and the telephone number for a contact person who can provide additional information about Kentucky Access[the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program].

(13) If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.

(14) No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. This shall apply in any such situation that may arise through an association, an affiliated group, the Kentucky state employee health insurance plan, or any other entity.

Section 22. KRS 304.17A-260 is amended to read as follows:

An insurer that, on or after July 15, 1995, until April 10, 1998, issued standard health benefit plans under KRS 304.17A-160 and then ceased doing business in Kentucky may apply to the commissioner on or after the effective date of this Act[April 10, 1998], until April[January] 1, 2001[1999], for approval to reenter Kentucky, and if the commissioner grants approval the insurer may engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 23. KRS 304.17A-320 is amended to read as follows:

(1) No employer-organized association shall in this state self-insure in order to provide health benefit plans for its members unless it holds a certificate of filing from the commissioner.

(2) To qualify for a certificate of filing and to maintain a certificate of filing, the employer-organized association shall comply with the provisions of Subtitle 48 of this chapter to the extent not in conflict with the expressed provisions of this section.

(3) Each association that holds a certificate of filing from the commissioner shall be subject to the following:

(a) All assessments placed on insurers under Section 11 of this Act[KRS 304.17A-460];

(b) All rating restrictions placed on employer-organized associations under KRS 304.17A-0954;

(c) All rate review requirements placed on insurers under this subtitle;

(d) All data collection requirements placed on insurers under this subtitle; and

(e) Provisions of Subtitle 12 of this chapter that apply to health insurers.

(4) Each association that holds a certificate of filing from the commissioner shall notify its members that health benefit plans issued to its members through the association are not protected through the Kentucky Life and Health Insurance Guaranty Association.

(5) Under the provisions of KRS 304.48-220, the commissioner may revoke the certificate of filing of any association. A violation of any provision of this section shall be deemed a violation of Subtitle 48 of this chapter for purposes of KRS 304.48-220."

On page 1, after line 7 by adding:

"Section 25. KRS 304.17A-095 is amended to read as follows:

(1) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any health benefit plan shall, before use thereof, file with the commissioner its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers, shall submit a copy of the filing to the Attorney General, and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper.

(2) (a) A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General may participate as a health insurance consumer intervenor and be considered a party to the hearing.

(b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.

(3) In approving or disapproving a filing under this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium or fee charged;

(b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

(c) Previous premium rates or fees for the policies or contracts to which the filing applies;

(d) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

(e) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and

(f) The effect on the rates of any assessment made under Section 11 of this Act [KRS 304.17A-460]; and

(g) Other factors as deemed relevant by the commissioner.

(4) The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal.

(5) At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund or future premium credit to policyholders, enrollees, and subscribers if the commissioner determines that the rates or fees previously approved are in violation of this chapter.

(6) Notwithstanding subsection (2)(a) to (e) of this section, premium rates may be used upon filing with the department of a policy form not previously used if the filing is accompanied by the policy form filing and a minimum loss ratio guarantee. Insurers may use the filing procedure specified in this subsection only if the affected policy forms disclose the benefit of a minimum loss ratio guarantee. An insurer may not elect to use the filing procedure in this subsection for a policy form that does not contain the minimum loss ratio guarantee. Insurers may not amend policy forms to provide for a minimum loss ratio guarantee. If an insurer elects to use the filing procedure in this subsection for a policy form or forms, the insurer shall not use a filing of premium rates that does not provide a minimum loss ratio guarantee for that policy form or forms.

(a) The minimum loss ratio shall be in writing and shall contain at least the following:

1. An actuarial memorandum specifying the expected loss ratio that complies with the standards as set forth in this subsection;

2. A statement certifying that all rates, fees, dues, and other charges are not excessive, inadequate, or unfairly discriminatory;

3. Detailed experience information concerning the policy forms;

4. A step-by-step description of the process used to develop the experience loss ratio, including demonstration with supporting data;

5. A guarantee of a specific lifetime minimum loss ratio, that shall be greater than or equal to the following, taking into consideration adjustments for duration as set forth in administrative regulations promulgated by the commissioner:

a. Seventy percent (70%) for policies issued to individuals or for certificates issued to members of an association that does not offer coverage to small employers;

b. Seventy percent (70%) for policies issued to small groups of two (2) to ten (10) employees or for certificates issued to members of an association that offers coverage to small employers; and

c. Seventy-five percent (75%) for policies issued to small groups of eleven (11) to fifty (50) employees;

6. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph, adjusted for duration;

7. A guarantee that the actual Kentucky lifetime loss ratio shall meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph; and

8. If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars ($2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other credibility factors as specified by the commissioner.

(b) The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the commissioner not later than one hundred twenty (120) days after the end of the year at issue. The audit shall demonstrate the calculation of the actual Kentucky loss ratio in a manner prescribed as set forth in administrative regulations promulgated by the commissioner.

(c) The insurer shall refund premiums in the amount necessary to bring the actual loss ratio up to the guaranteed minimum loss ratio.

(d) A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder. The refund shall be made to all Kentucky policyholders insured under the applicable policy form during the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from July 1 of the year at issue until the date of payment. Payment shall be made not later than one hundred eighty (180) days after the end of the year at issue.

(e) Premium refunds of less than ten dollars ($10) per insured shall be aggregated by the insurer and paid to the Kentucky State Treasury.

(f) None of the provisions of subsections (2) and (3) of this section shall apply if premium rates are filed with the department and accompanied by a minimum loss ratio guarantee that meets the requirements of this subsection.

Such filings shall be deemed approved. Each insurer paying a risk assessment under Section 11 of this Act [KRS 304.17A-460] may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.

(g) The policy form filing of an insurer using the filing procedure with a minimum loss ratio guarantee will disclose to the enrollee, member, or subscriber as prescribed by the commissioner an explanation of the lifetime loss ratio guarantee, and the actual loss ratio, and any adjustments for duration.

(h) The insurer who elects to use the filing procedure with a minimum loss ratio guarantee shall notify all policyholders of the refund calculation, the result of the refund calculation, the percent of premium on an aggregate basis to be refunded if any, any amount of the refund attributed to the payment of interests, and an explanation of amounts less than ten dollars ($10).

(7) The commissioner may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section. When determining a loss ratio for the purposes of loss ratio guarantee, the insurer shall divide the total of the claims incurred, plus preferred provider organization expenses, case management and utilization review expenses, plus reinsurance premiums less reinsurance recoveries by the premiums earned less state and local premium taxes less other assessments. For purposes of determining the loss ratio for any loss ratio guarantee pursuant to this section, the commissioner may examine the insurer's expenses for preferred provider organization, case management, utilization review, and reinsurance used by the insurer in calculating the loss ratio guarantee for reasonableness. Only those expenses found to be reasonable by the commissioner may be used by the insurer for determining the loss ratio for purposes of any loss ratio guarantee.

Section 26. KRS 304.17A-290 is amended to read as follows:

(1) Coverage of an individual who is not a state employee or a small group which on April 10, 1998, is covered under KRS 18A.2251 or KRS 18A.2281 shall not be renewed after April 10, 1998.

(2) The state employee health insurance fund established under KRS 18A.2281 shall be deemed an insurer as defined in KRS 304.17A-005 only for the coverage it provides to individuals not state employees or to small groups and only until such time as this coverage terminates in accordance with subsection (1) of this section.

(3) [The state employee health insurance fund established under KRS 18A.2281 shall be subject to assessments and reimbursements under KRS 304.17A-400 to 304.17A-480 only for the premium collected and the claims paid for individuals who are not state employees and the small groups which are covered by the fund.

(4)] Except as provided in this section, the state employee health insurance fund established under KRS 18A.2281 shall not be deemed an insurer for any other purpose in this chapter and, in no event, at any time more than twelve (12) months after April 10, 1998, shall it be deemed to be an insurer.

Section 27. KRS 304.17A-0954 is amended to read as follows:

(1) For purposes of this section:

(a) "Base premium rate" has the meaning provided in KRS 304.17A-005;

2. An entity organized under KRS 247.240 to 247.370 that has actively marketed health insurance to its members and which is not insurer-controlled; or

3. Any entity which is a bona fide association as defined in 42 U.S.C. sec. 300gg-91(d)(3), whose members consist principally of employers, and for which the entity's health insurance decisions are made by a board or committee the majority of which are representatives of employer members of the entity who obtain group health insurance coverage through the entity or through a trust or other mechanism established by the entity, and whose health insurance decisions are reflected in written minutes or other written documentation;

(d) "Index rate" has the meaning provided in KRS 304.17A-005.

(2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

(3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:

(a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than twenty-five percent (25%) of its own index rate, except that the premium rates charged to an employer-organized association shall not vary from the index rate by more than fifty percent (50%) for two (2) consecutive years beginning January 1, 2001.

(b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period shall not exceed the sum of the following:

1. The percentage change in the new business premium rate for the employer-organized association measured from the first day of the prior rating period to the first day of the new rating period;

2. Any adjustment, not to exceed twenty [fifteen] percent (20%) [(15%)] annually and adjusted pro rata for rating period of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the member as determined from the insurer's rate manual; and

3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.

(4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. (2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government, to which the tax or fee is remitted, with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225 and KRS 42.800 to 42.825.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(13) No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in Section 3 of this Act.

Section 31. KRS 304.17A-515 is amended to read as follows:

Veto Message

The veto message on **HB 856** is as follows:

I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky State Constitution, do hereby veto **House Bill 856** as passed by the 2000 Regular Session of the Kentucky General Assembly. I exercise this authority for the following reasons:

House Bill 856 appears unconstitutional because it vests the regulations compiler with authority reserved for the executive branch under the constitutional doctrine of the separation of powers. It also appears to allow for an unconstitutional legislative veto during regular sessions of the General Assembly. It is entirely appropriate for the General Assembly to override regulations as inconsistent with legislative intent trough its constitutional lawmaking process; however, the procedure established in this bill violates constitutional principals. Done this 7th day of April, 2000 in Frankfort, Kentucky at 4:00 p.m.

The veto message on **HB 946** is as follows:

I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky State Constitution, do hereby veto **House Bill 946** as passed by the 2000 Regular Session of the Kentucky General Assembly. I exercise this authority for the following reason:

House Bill 946 was an effort to make it easier for state employees to be reimbursed for work-related travel requiring an overnight stay. However, it appears the enacted version of the bill fails to accomplish this purpose. The sponsor of the bill has been consulted prior to this veto message and the Finance and Administration Cabinet has agreed to attempt to accommodate the sponsor's intended purpose within the confines of existing statutory authority. Done this 7th day of April, 2000 in Frankfort, Kentucky at 4:00 p.m.

The Free Conference Committee on **HB 629** has met as provided in the Rules of the House and Senate and hereby reports the following to be adopted: Adopt the provisions of the GA Copy of **HB 629** with the following changes:

On page 1, line 3, through page 5, line 22, by deleting all of the language in Section 1 in its entirety, and by inserting the following language in lieu thereof:

"(1) The General Assembly hereby finds and declares that:

(a) Public accountability for funds or other assets recovered in a legal action by or on behalf of the general public, the Commonwealth, or its duly elected statewide constitutional officers is appropriate and required, whether the character of the assets or funds recovered is public or private;

(b) Accountability for assets or funds recovered by duly elected statewide constitutional officers is essential to the public trust, and is even more critical when that officer was a party to the action that resulted in the recovery by virtue of the public office he or she holds;

(c) Public accountability demands the applicability of the Kentucky Open Records Law, KRS 61.870 to 61.884, and the Kentucky Open Meetings Law, KRS 61.805 to 61.850, so that the actions of individuals or agencies who are charged with the administration of funds or other assets are conducted in full view, and are open to public scrutiny;

(d) The General Assembly recognizes that the Attorney General of the Commonwealth of Kentucky has filed or been a party to actions by virtue of the public office he holds, and has recovered certain assets or funds of approximately forty-five million dollars ($45,000,000), plus interest, for or on behalf of the citizens of the Commonwealth in the cases of Commonwealth of Kentucky, ex rel., Attorney General, Albert B. Chandler, III v. Anthem Insurance Companies, Inc., Southeastern Group, Inc., Southeastern United Medigroup, Inc., Franklin Circuit Court, Division I, Civil Action No. 97-CI-01566, and Southeastern United Medigroup, Inc., Southeastern Group, Inc., and Anthem Insurance Companies, Inc., v. Commonwealth of Kentucky, Department of Insurance, Franklin Circuit Court, Division II, Civil Action No. 97-CI-00405;

(e) The terms of the settlement of those actions referenced in subsection (1)(d) of this section serve a public purpose and require that the proceeds of settlement be used "to address the unmet health care needs of Kentucky citizens";

(f) In accordance with the terms of the settlement referenced in subsection (1)(d) of this section, a foundation has been or is to be formed and appointments to that foundation made after receiving recommendations from an advisory board whose appointments will be made from nominees of the Attorney General;

- (g) While it may be important that, in certain circumstances, funds or assets received retain their character, identity, and purpose, it is also important that the process by which funds are administered and the individuals named to serve on the advisory board and the foundation in the settlement referenced in subsection (1)(d) of this section be open to public scrutiny and be required to make reports and be accountable to the public; and
- (h) The power to appropriate funds for public purposes is solely within the purview of the legislative branch of government, and the General Assembly, as a steward of the budgetary process, shall take steps to assure that future settlements are handled in a manner that assures maximum accountability to the citizens of the Commonwealth and their duly elected legislative representatives.

(2) Therefore, any other provision of the common law or statutory law to the contrary notwithstanding:

- (a) The provisions of subsection (3) of this section shall apply to the settlement referenced in subsection (1)(d) of this section, and to the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, to administer the settlement proceeds to provide for the "unmet health care needs of Kentucky citizens"; and
- (b) Except for the settlement referenced in subsection (1)(d) of this section, the provisions of subsection (4) of this section shall apply whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or a person, organization, or entity created by the Attorney General or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes;
- (c) Except as otherwise provided in paragraphs (a) and (b) of this subsection, the provisions of subsection (5) of this section shall apply when any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets are recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex. rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority.

(3) The advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, in accordance with the settlement outlined in subsection (1)(d) of this section, shall be deemed a public trust, and shall:

- (a) Be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884, and the Kentucky Open Meetings Act, KRS 61.805 to 61.850;
- (b) Be audited on an annual basis by the Auditor of Public Accounts;
- (c) Provide any records, documents, written reports, and audits to the Governor, Auditor of Public Accounts, and the Legislative Research Commission, as may be requested;
- (d) Provide representatives of the organization or entity to testify before any committee of the General Assembly, when requested, concerning the work and financial condition of the organization or entity;
- (e) Encourage the Franklin Circuit Court to authorize the Governor to appoint two (2) at-large members to the board of directors of the foundation created by the settlement agreement; and
- (f) Provide written notice of any disbursement of funds or assets to the co-chairs of the Interim Joint Committee on Appropriations and Revenue, the secretary of the Finance and Administration Cabinet, and the state controller at least fourteen (14) days prior to making disbursement. Within forty-five (45) days after receipt of the notice of disbursement of funds or assets in accordance with this subsection, the Interim Joint Committee on Appropriations and Revenue may hold a hearing on the disbursement. If requested by the Interim Joint Committee on Appropriations and Revenue, members of the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity making disbursement and the person, organization, or other entity receiving the disbursement shall appear and give testimony concerning the proposed disbursement. Following the hearing, the Interim Joint Committee on Appropriations and Revenue shall make findings concerning whether or not the disbursement:
  1. Is consistent with the nature, character, and purpose for which the funds were recovered; and
  2. Is in the best interest of the Commonwealth.

  A copy of the findings shall be publicly released and mailed or otherwise delivered to the entity or organization seeking disbursement, the secretary of the Finance and Administration Cabinet, and the state controller.

(4) Except for the settlement referenced in subsection (1)(d) of this section, whenever the Attorney General or other duly elected statewide constitutional officer is a party to or has entered his appearance in, a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or by a person, organization, or entity created by the Attorney General, or the Commonwealth, through court action or

otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes, those funds shall be deposited in the State Treasury and the funds or assets administered and disbursed by the Charitable Asset Administration Board created under this section. As used in this section "CAAB" means the Charitable Asset Administration Board.

(a) The CAAB shall consist of the following members, who shall be confirmed by the Senate under KRS 11.160, and who shall serve at the pleasure of the duly elected statewide constitutional officer making the appointment during that constitutional officer's term of office:

1. Three (3) members to be appointed by the Governor;
2. Three (3) members to be appointed by the Attorney General; and
3. Three (3) members to be appointed by the Auditor of Public Accounts.

(b) Each duly elected statewide constitutional officer under paragraph (a) of this subsection shall appoint at least one (1) member who has a background in the administration of charitable, eleemosynary, benevolent, educational, or similar type trust assets, but shall not be currently involved in any activity that would violate the provisions of KRS 11A.040, as they relate to the performance of the appointee's duties on the CAAB.

(c) All appointees to the CAAB shall comply with the provisions of the Executive Branch Code of Ethics found in KRS Chapter 11A.

(d) A vacancy in the membership of the CAAB shall be filled in the same manner and under the same conditions as the initial appointment to the board.

(e) The CAAB shall:

1. Be a nonprofit, de jure, quasi-governmental corporation subject to the Kentucky Open Records Law, KRS 61.870 to 61.884, and Kentucky Open Meetings Law, KRS 61.800 to 61.850;
2. Have any and all general corporate, trust, or other powers reasonable or necessary to fulfill the requirements and purposes of the CAAB;
3. Be audited on an annual basis by the Auditor of Public Accounts;
4. Provide any documents, written reports, and audits to the Legislative Research Commission as may be requested; and
5. Provide representatives of the organization or entity to testify before any committee of the Kentucky General Assembly when requested concerning the work and financial condition of the CAAB.

(f) The CAAB shall have full authority over the administration, control, and disbursement of any funds recovered under this subsection. The CAAB shall receive, analyze, administer, disburse, and preserve the identity, character, and nature and the charitable, eleemosynary, benevolent, educational, or similar public purpose of the funds or assets received consistent with this subsection and the authority for administering the funds recovered as set forth in the:

1. Articles of incorporation and bylaws of the corporation;
2. Partnership agreement or other business association agreement;
3. Contractual agreement;
4. Governing documents of the public or private foundation;
5. Charitable trust documents;
6. Terms of the constructive trust;
7. Orders of a state or federal court;
8. State or federal law or regulation; or
9. Any other governing documents necessary to properly administer the funds recovered.

(g) The CAAB may hold public hearings, if necessary, concerning the proper administration or disbursement of trust assets received and to be administered under this subsection.

(h) 1. After the effective date of this Act, all charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, to which this subsection applies, recovered by way of judgment, settlement, or otherwise, shall be transferred to the CAAB for administration of those funds or assets consistent with their charitable, eleemosynary, benevolent, educational, or similar public purpose and the provisions of this subsection.

2. For those legal actions settled prior to the effective date of this Act, except for the settlement outlined in subsection (1)(d) of this section to which subsection (3) of this section shall apply, where charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, are recovered by way of judgment or settlement, and to which this subsection would otherwise be applicable, the federal and state

courts where those actions are pending are encouraged to transfer any trust funds or assets remaining after administration to the CAAB.

(5) (a) Any other provision of the common law or statutory law to the contrary notwithstanding, and except as otherwise provided in this section, any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets when recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex. rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority shall be deemed public funds, and shall be deposited into an account maintained by the Finance and Administration Cabinet.

(b) No funds to which this subsection applies when deposited in an account maintained by the Finance and Administration Cabinet shall be disbursed without a specific legislative appropriation of the deposited funds by the General Assembly while in regular or special legislative session.

(6) The common law, including the common law authority of any duly elected statewide constitutional officer, is specifically abrogated to the extent it is inconsistent with the provisions of this section.

(7) The provisions of this section shall not apply to actions by or on behalf of the Commonwealth or its duly elected statewide constitutional officers, if the recovery sought and received is for specific individuals identified as parties to the action either by individual Social Security number, other individual identifying number, or by the individual's proper name.

(8) Notwithstanding any statute or common law to the contrary, and except as provided in this subsection, an elected statewide constitutional officer or any other state official or agency shall not file or participate as a plaintiff, petitioner, party, intervening party, attorney, or amicus curiae in any litigation challenging the constitutionality of this section. State funds and employee time shall not be expended by any person or agency in support of such a challenge. If the constitutionality of this section is challenged, the Finance and Administration Cabinet shall be the sole named respondent in that litigation, and shall consult with the Legislative Research Commission regarding defense of that litigation."; and

The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after the death, or within two (2) years after the cessation of voluntary payments, if any have been made. When the application is filed by the employee or during the pendency of that claim, he shall join all causes of action against the named employer which have accrued and which are known, or should reasonably be known, to him. Failure to join all accrued causes of action will result in such claims being barred under this chapter as waived by the employee.

(2) Except with respect to claims for benefits by reason of coal workers' pneumoconiosis, the commissioner shall issue notice of the filing to all parties and shall promptly assign the claim to an administrative law judge [arbitrator for benefit review]. The administrative law judge[arbitrator] shall facilitate the exchange of information pertinent to the claim pursuant to administrative regulations promulgated by the commissioner. Within forty-five (45) days of the date of issuance of the notice required by this section, the employer or carrier shall file notice of claim denial or acceptance, setting forth specifically those material matters which are admitted, those which are denied, and the basis of any denial of the claim.

(3) [(a) The arbitrator shall conduct proceedings as necessary to the resolution of the claim and may order the parties to appear for a benefit review conference, or submit medical reports and other information, or refer the employee for medical evaluation.

(b) If an arbitrator determines in his discretion that a pending claim presents factual issues best resolved through hearing before an administrative law judge, the arbitrator may enter an order transferring the claim to an administrative law judge for further proceedings.

(4) Except where compelling circumstances justify delay and except as provided in subsection (3)(b) of this section, the arbitrator shall render a written determination upon all matters at issue within ninety (90) days of the assignment of the claim. Through written order, the arbitrator may grant or deny any benefit afforded by this chapter, including interlocutory relief.

(7)] Within one hundred twenty (120) days of the effective date of this Act[December 12, 1996], the commissioner shall promulgate administrative regulations establishing procedures for the resolution of claims[, which shall include benefit review]. The administrative regulations promulgated pursuant to the provisions of this subsection shall be effective on an emergency basis and be applied to all pending claims.

Section 18. KRS 342.275 is amended to read as follows:

(1) [Within thirty (30) days after the filing of the benefit review determination with the commissioner, any party may appeal that determination by filing a request for hearing before an administrative law judge. Proceedings before the administrative law judge shall be de novo but subject to penalties for unreasonable proceedings under KRS 342.310.

(2)] The commissioner shall promptly issue notice of the assignment of the claim to an administrative law judge, time for presentation of proof and of the time and place of a benefit review conference[hearing]. The administrative law judge may confer informally with the parties for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the disposition of the case.

(2)[(3)]The administrative law judge may grant continuances or grant or deny any benefits afforded under this chapter, including interlocutory relief, according to criteria established in administrative regulations promulgated by the commissioner. The administrative law judge shall render the award, order, or decision within sixty (60) days following the final hearing unless extension is mutually agreed to by all parties. Section 39. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

(1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.

(b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.

(c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.

(d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.

(e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or, if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.

(f) To each parent, if actually dependent, 25 percent.

(g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.

(h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.

(i) A person ceases to be actually dependent when his income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.

(2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.

(3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.

(4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) of this section shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.

(5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his disability from an occupational disease began.

(6) In addition to other benefits as provided by this chapter, if death occurs within four (4) years of the date of injury as a direct result of a work-related injury, a lump-sum payment of fifty thousand dollars ($50,000)[twenty-five thousand dollars ($25,000)] shall be made to the deceased's estate, from which the cost of burial and cost of transportation of the body to the employee's place of residence shall be paid. Annually, the commissioner shall compute, in accordance with KRS 342.740, the increase or decrease in the state average weekly wage, and consistent therewith, shall adjust the amount of the lump sum payment due under this subsection for injuries occurring in the succeeding year.

(7) All benefits awarded pursuant to this section, other than those provided in subsection (6) of this section, shall be subject to the limitations contained in KRS 342.730(4)."; and

SECTION 2. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that the Tobacco Price Support Program administered by the United States Department of Agriculture under 7 U.S.C. sec. 1314 is the best and most efficient means of preserving the economic health of thousands of tobacco farms throughout the United States and throughout Kentucky. Based upon this finding, the General Assembly declares that the Tobacco Task Force shall study methods to support the Tobacco Price Support Program and its continuing role in the economic viability of Kentucky's small tobacco farmer.

Section 3. (1)The Tobacco Task Force is directed to study the development of contracting for tobacco growing and purchasing, study the effect of tobacco contracting on tobacco income and examine what the role of the state should be with regard to tobacco contracting. The task force shall research the issues and recommend strategies for the General Assembly. The research shall include but not be limited to: monitoring the opening day of the 2000 burley tobacco market; consideration of the treatment of producers, particularly small producers, by the tobacco companies seeking to contract for tobacco in the 2000 tobacco market; holding task force meetings addressing potential discrimination against small tobacco producers because of contracting; hearing testimony from tobacco growers from the various regions of the state regarding contracting; hearing testimony from tobacco companies regarding contracting; structuring a proposed framework for state regulation of tobacco contracting in Kentucky; examining programs in other states regarding contracting for tobacco; and working with other tobacco-producing states to formulate a uniform approach to state regulation of burley tobacco contracting.

(2) The task force shall hold no less than four (4) meetings to carry out the purposes of subsection (1) of this section. The task force shall, at a minimum, seek testimony from the Kentucky Farm Bureau, the Community Farm Alliance, the Burley Tobacco Growers Cooperative Association, the Council for Burley Tobacco, the University of Kentucky College of Agriculture, the Burley Farmers Advisory Council, small and large tobacco growers from various regions of the state, the tobacco companies who purchase burley tobacco in Kentucky, the Governor's Office of Agriculture Policy, the Department of Agriculture, and other states that have or are proposing similar contracting legislation.

(3) The task force shall report to the Legislative Research Commission and the Interim Joint Committee on Agriculture and Natural Resources no later than December 15, 2000. In the event that the Federal Tobacco Price Support Program ends before the report is due, the task force shall immediately advise the Legislative Research Commission and the Governor's Office on the steps to take to best protect the interests of the state and the state's tobacco producers.

(4) Provisions of this Act to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

Section 4. The amendments contained in Section 1 of this Act shall retroactively apply to tax years beginning after December 31, 1998.

Section 5. Whereas the filing deadline for income taxes is April 15, an emergency is declared to exist, and Section 1 of this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law."

(5) As used in this section and elsewhere in this chapter, unless the context clearly requires otherwise:

(a) "Trust fund balance" means the amount of money in the unemployment insurance fund, less any unpaid advances made to the state under Section 1201 of the Social Security Act. In determining the amount in the fund as of a given date all money received by the department ***on that***~~[as of such]~~ date shall be considered as being in the fund on ***that***~~[such]~~ date.

(b) "Total wages" means all remuneration for services, as defined in KRS 341.030(1) to (7), paid by subject employers.

(c) An employer's "reserve ratio" means the percentage ratio of his reserve account balance as of the computation date to his taxable payrolls for the twelve (12) consecutive calendar quarters ended as of September 30 immediately preceding the computation date.

(d) For the purposes of this section, an employer's "reserve account balance" means the amount of contributions credited to his reserve account as of the computation date, less the benefit charges through September 30 immediately preceding the computation date. If benefits charged to an account exceed contributions credited to ***the***~~[such]~~ account, ***the***~~[such]~~ account shall be considered as having a debit balance and a reserve ratio of "less than zero."

(e) "Computation date" is October 31 of each calendar year prior to the effective date of new rates of contributions.

Section 11. KRS 341.380 is amended to read as follows:

(1) All benefits shall be paid through employment offices, or such other agencies as may be designated by regulations of the secretary. Claims for all payments of benefits shall be made in accordance with regulations of the secretary.

(2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to one and one hundred eighty-five one-thousandths percent (1.185%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars ($39), nor more than the maximum rate as determined in accordance with subsection (3) of this section. For claims effective on or after January 1, ***2001***~~[1999]~~, the weekly benefit rate shall, except as provided in KRS 341.390, be ***one and three thousand seventy-eight ten thousandths percent (1.3078%)***~~[one and two hundred thirty-five thousandths percent (1.235%)]~~ of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars ($39) nor more than the maximum rate as determined in accordance with subsection (3) of this section~~[; provided, however, that the tax rate schedule prescribed in KRS 341.270(3)(a) is in effect in that year. If that rate schedule is not in effect in calendar year 1999 but takes effect in a subsequent calendar year, the increase in the weekly benefit rate calculation shall apply to claims effective on or after January 1 of the year in which that rate schedule is in effect]~~.

(3) Prior to the first day of July of each year the secretary shall determine the average weekly wage for insured employment by dividing the average monthly employment, as obtained by dividing the total monthly employment reported by subject employers for the preceding calendar year by twelve (12), into the total wages reported by such employers for such calendar year and dividing by fifty-two (52). Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar ($1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; beginning in calendar year 1999, or any subsequent year in which the increase in the weekly benefit rate calculation set forth in subsection (2) of this section should take effect, sixty-two percent (62%) of the average weekly wage, adjusted to the nearest multiple of one dollar ($1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of that year and prior to the first day of July of the next following year; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars ($120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate. If such "trust fund balance" as of December 31 immediately preceding the benefit year:

(a) Equals or exceeds one hundred twenty million dollars ($120,000,000), but is less than one hundred fifty million dollars ($150,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than six percent (6%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1);

(b) Equals or exceeds one hundred fifty million dollars ($150,000,000), but is less than two hundred fifty million dollars ($250,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than eight percent (8%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1);

(c) Equals or exceeds two hundred fifty million dollars ($250,000,000), but is less than two hundred seventy-five million dollars ($275,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than ten percent (10%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1);

(d) Equals or exceeds two hundred seventy-five million dollars ($275,000,000), but is less than three hundred fifty million dollars ($350,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than twelve percent (12%). The rate thus determined shall be adjusted to the nearest multiple of one dollar ($1); and

(e) Is such that it resulted in the establishment of an employer contribution rate schedule, as provided for in KRS 341.270, for the current calendar year which has a higher minimum rate than the schedule in effect for the immediately preceding calendar year, the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate.

(4) The maximum amount of benefits payable to any worker within any benefit year shall be the amount equal to whichever is the lesser of:

(a) Twenty-six (26) times his weekly benefit rate; or

(b) One-third (1/3) of his base-period wages, except that no worker's maximum amount shall be less than fifteen (15) times his weekly benefit rate. Such maximum amount, if not a multiple of one dollar ($1), shall be adjusted to the nearest multiple of one dollar ($1).

Expenditures of ***the***~~[such]~~ money in the benefit account shall not be subject to any provisions of law requiring specific appropriations or other formal release by state officers of money in their custody. All vouchers issued by the Treasurer for the payment of benefits and refunds shall bear the signature of the Treasurer and the approval in writing of the secretary of the Finance and Administration Cabinet.

(4) Any balance of money requisitioned from the unemployment trust fund that remains unclaimed or unpaid in the benefit

Veto Message

The veto message on **HB 331** is as follows:

I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky State Constitution, do hereby veto **House Bill 331** as passed by the 2000 Regular Session of the Kentucky General Assembly. I exercise this authority for the following reason:

House Bill 331 seeks to amend sections of KRS 95.435, 500.090, and 16.220 and related sections to require law enforcement agencies to transfer certain firearms to the Kentucky State Police for disposition by public auction. This bill would eliminate the option of local law enforcement agencies to destroy, dispose of or retain confiscated firearms and requires the transfer of weapons, that in some instances may have been used in the commission of crimes, to the State Police for public auction and potential use again in the commission of a crime. Resale of these guns would be contrary to gun bayback programs already at work in our communities that use federal funds to purchase handguns, rifles, and assault weapons. My veto of this bill would not irreparaby harm interested parties and may delay proper consideration of this issue to the next regular or special session of the General Assembly. At that time consideration could be given a compromise permitting the resale of certain firearms including so-called longarms and the destruction of cheap weapons often used in the commission of crimes. While I support the right of citizens to keep and bear arms as recognized in the 2nd Amendment to the United States Constitution, I object to the provisions of **House Bill 331** as being a hindrance to the efforts of our law enforcement personnel who work everyday on our streets to fight crime and particularly crimes committed with firearms. Done this 14th day of April, 2000, in Frankfort Kentucky, at 3:25 p.m.

4. Any appropriation item and sum in this Act and in an appropriation provision in another act of the 2000 General Assembly which constitutes a duplicate appropriation shall be governed by KRS 48.312.

5. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

6. Notwithstanding KRS 45.229, any unexpended balance remaining in the Court's restricted funds accounts or federal funds accounts at the close of the fiscal years ending June 30, 2000, and June 30, 2001, shall not lapse and shall continue into the next fiscal year.

7. Proposed revisions to restricted funds and federal funds appropriations in this Act shall be made and reported pursuant to KRS 48.630(10). The Director of the Administrative Office of the Courts shall notify on a timely basis the Legislative Research Commission of the most current estimates of anticipated receipts for the affected fiscal year and an accompanying statement which explains such variations from the anticipated amount.

8. The Chief Justice shall cause the Director of the Administrative Office of the Courts to prepare a final budget document reflecting the 2000-2002 biennial budget of the Court of Justice. A copy shall be provided to the Legislative Research Commission and an informational copy shall be furnished to the Finance and Administration Cabinet within sixty (60) days of the adjournment of the 2000 Regular Session of the General Assembly.

9. The Chief Justice shall establish rules of procedure on matters relating to the design, financing, and construction of court facilities. The Administrative Office of the Courts shall oversee the design, financing, and construction of court facilities. Capital costs, for the purpose of computing the maximum annual use allowance, shall not exceed the project scope as authorized by the General Assembly in this judicial branch budget unless increased and approved through the procedures outlined below.

The Administrative Office of the Courts shall assess the need for construction or renovation of court facilities throughout the Commonwealth and develop a project program for the construction or renovation of those court facilities that the Administrative Office of the Courts determines to be most in need of construction or renovation. Based on a needs assessment, the Administrative Office of the Courts shall develop a prioritized list of proposed court facilities projects and submit the list to the Chief Justice for approval and to the Court Facilities Standards Committee for informational purposes only. Upon approval by the Chief Justice, the Administrative Office of the Courts shall submit the prioritized list to the Capital Planning Advisory Board, by April 15 of 2001, in accordance with KRS 7A.120.

The Administrative Office of the Courts shall develop and maintain uniform contracts to be used by local units of government when procuring architectural, construction, financial, or other services relating to court facilities projects authorized by the General Assembly. Each county with a court project authorized by the 2000 General Assembly shall enter into a written memorandum of agreement with the Administrative Office of the Courts. Before the Administrative Office of the Courts submits its next budget request for court projects under KRS 48.050, each local unit of government that is expected to participate in financing a requested court project shall enter into a written memorandum of agreement with the Administrative Office of the Courts. The agreements shall be developed by the Administrative Office of the Courts, and shall specify the rights, duties, and obligations of the local unit of government and the Administrative Office of the Courts relating to the project, and shall be contingent upon the project's authorization by the General Assembly.

No contract, and no modification to any contract, relating to the design, financing, or construction of court facilities projects authorized by the General Assembly shall be executed unless first reviewed and approved by the Administrative Office of the Courts. All court facilities projects, beginning with those authorized by the 2000 General Assembly, shall comply with the Kentucky standards for court facilities to be established by the Chief Justice and the Administrative Office of the Courts.

The use allowance in the judicial branch budget recommendation submitted under KRS 48.100 shall be determined as if bonds will be issued for a term of twenty (20) years at the prevailing market rate, computed from the estimated date that the Court of Justice will occupy the facility. If the market rate for the bonds assumed in the budget recommendation, including that in the recommendation for FY 2001-2002, has increased when the bonds are to be sold, the director of the Administrative Office of the Courts may approve an extension in the bond term, up to a total of twenty-five (25) years, but only as necessary to keep the annual use allowance within the budgeted amount. All bonds issued by any local unit of government for court facilities projects shall be limited to the term approved by the Administrative Office of the Courts.

Before approving any bond issue for a term exceeding twenty-five (25) years, the director of the Administrative Office of the Courts shall submit a proposal for the extended term to the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bond Oversight Committee. The proposal shall include a statement of the necessity for the extended bond term and the impact of the extended term on the project's budgeted scope and authorized annual use allowance. Within thirty (30) days after receiving a proposal to extend a bond term beyond twenty-five (25) years, the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bond Oversight Committee shall either approve or disapprove the proposal and shall then promptly notify the director of the Administrative Office of the Courts. If either committee disapproves the proposal, the director of the Administrative Office of the Courts shall take one (1) of the following actions and shall notify the committee of its decision in writing within thirty (30) days:

(a) Disapprove and take no further action on the proposal;

(b) Revise the proposal to comply with the committee's objections; or

(c) Determine to approve and proceed with the proposal over the committee's objection.

The Court of Justice may agree to increase the budgeted scope of a court project or project pool authorized by the General Assembly, and may draw from the local facilities use allowance contingency fund to cover any resulting increase in the budgeted annual use allowance, if and only if:

(a) The appropriate unit of government first submits a proposal for the increase to the Court Facilities Standards Committee, and the Court Facilities Standards Committee approves the increase; and

(b) The annual use allowance for the project or project pool, adjusted for the proposed increase in scope, would not exceed the annual use allowance specified for that project or project pool in the multiyear use allowance schedule set out in the judicial branch budget bill or memorandum by more than fifteen percent (15%).

Before the Court of Justice gives final approval to an increase in the budgeted scope of an authorized project or project pool listed in a judicial branch budget bill which would result in an increased use allowance, the director of the Administrative Office of the Courts shall submit a proposal for the increase to the Capital Projects and Bond Oversight Committee at least fourteen (14) days prior to the committee meeting. Within thirty (30) days after receiving a proposal to increase the use allowance, the Capital Projects and Bond Oversight Committee shall either approve or disapprove the proposal and shall then promptly notify the director of the Administrative Office of the Courts of its decision. If the Capital Projects and Bond Oversight

Committee disapproves the proposal, the director of the Administrative Office of the Courts shall take one (1) of the following actions and shall notify the committee of its decision in writing within thirty (30) days of receiving the committee's notice of disapproval:

(a) Revise the proposal to comply with the committee's objections;

(b) Cancel and take no further action on the proposal; or

(c) Determine to implement the proposal over the committee's objection.

The Administrative Office of the Courts shall report to the Capital Projects and Bond Oversight Committee within thirty (30) days any action taken by the Court of Justice to approve a scope increase of a project within a pool which would increase the use allowance for that project. The Capital Projects and Bond Oversight Committee shall maintain records of proposals, findings, decisions, and actions taken under this section. When appropriate, the committee shall provide this information to other legislative committees or to the General Assembly. The Administrative Office of the Courts shall provide to the Capital Projects and Bond Oversight Committee, at the committee's January, April, July, and October regular meetings, a status report on the progress of all incomplete court facilities projects.

On August 1 of each year, the Administrative Office of the Courts shall prepare a financial report on the court facility use allowance contingency fund for the fiscal year ending on June 30 of that year. The report shall include explanations, allotments, expenditures, encumbrances, and the available balance.

Upon request of the Administrative Office of the Courts, the Department for Local Government shall evaluate the financial condition of any local unit of government selected to participate in a court facilities construction or renovation project, and shall certify to the Administrative Office of the Courts the local unit of government's ability to participate in the project.

10. a. A fiscal court, by ordinance, may assess additional fees and costs, for the purpose of paying expenses for courthouses, bonds related to them, and administration thereof in Circuit Court and District Court:

(1) In civil cases, a fee of up to twenty-five dollars ($25) may be added to filing fees.

(2) In criminal cases, a cost of up to twenty-five dollars ($25) may be added to the court costs that the defendant is required to pay.

(3) In civil cases that are appealed from Circuit Court to the Court of Appeals, a fee of up to twenty-five dollars ($25) may be added to the filing fees.

(4) In all traffic offenses, a fee of up to ten dollars ($10) may be added to the court costs for each traffic offense.

(5) In probate cases, a filing fee of up to ten dollars ($10) may be added to each filing fee.

(6) In misdemeanor cases, a cost of up to twenty dollars ($20) may be added to the court costs.

(7) In small claims, a fee of up to ten dollars ($10) may be added to all filing fees.

(8) In civil cases, a fee of up to ten dollars ($10) may be added to all filing fees.

b. A fiscal court, by ordinance, may assess additional fees on subpoena and civil summons service by the local sheriff, for the purpose of paying expenses for courthouses, bonds related to them, and administration thereof. The fees may be added as follows:

(1) In addition to the fees normally charged for the service of a subpoena, the person requesting service may be charged a fee of up to ten dollars ($10).

(2) In addition to the fees normally charged for the service of a civil summons, the person requesting service may be charged a fee of up to ten dollars ($10).

11. Funding for the Commonwealth's ten family courts has been granted with the intention that the Family Court Pilot Project be continued during fiscal year 2000-2001 and fiscal year 2001-2002. Continuation of the Family Court Pilot Project is in recognition that nine such family courts, located in geographically diverse locations across Kentucky, have been in operation for less than two years and additional time and experience are required to properly assess the success of the Family Court Project.

"SECTION 1. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 14 of this Act, unless the context requires otherwise:

(1) "Board" means the Agricultural Development Board created by Section 4 of this Act;

(2) "Fund" means the agricultural development fund established by an Act of the 2000 Regular Session, which may be called the "Rural Development Fund" in the Act;

(3) "Subcommittee" means the Tobacco Settlement Agreement Fund Oversight Committee created by Section 12 of this Act;

(4) "Council" means an agricultural development council required by Section 11 of this Act;

(5) "Master Settlement Agreement" means the settlement agreement dated November 23, 1998, entered into by the Commonwealth of Kentucky and major United States tobacco product manufacturers; and

(6) "Phase II Agreement" means the National Tobacco Grower Settlement Trust Agreement dated July 19, 1999, entered into by tobacco states and major tobacco companies to compensate tobacco growers and quota owners for losses resulting from the Master Settlement Agreement.

SECTION 2. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

(1) Fifty percent (50%) of the moneys received in the tobacco settlement agreement fund, created in KRS 248.654, from Master Settlement Agreement funding on or before June 30, 2000, along with accrued interest, shall be allocated on the effective date of this Act to the agricultural development fund created in House Bill 583 of the 2000 Regular Session of the General Assembly. The moneys received in the agricultural development fund, along with the accrued interest, shall be further allocated as follows:

  (a) Forty million dollars ($40,000,000) from the agricultural development fund shall be set aside to supplement Phase II funding as provided in Section 3 of this Act; and

  (b) The moneys remaining in the agricultural development fund after the Phase II supplement is set aside shall be further allocated as follows:

    1. Thirty-five percent (35%) to a "Counties Account" within the fund for distribution to applicants within counties. The amount allocated to each county within the account shall be determined by the formula established in subsection (3) of this section. Counties shall be assured of receiving at least as much as determined by the formula; and

    2. Sixty-five percent (65%) for other projects throughout the state.

(2) Fifty percent (50%) of the moneys received in the tobacco settlement agreement fund from Master Settlement Agreement funding after June 30, 2000, along with accrued interest, shall be allocated within twenty (20) days of receipt of the moneys to the agricultural development fund created in House Bill 583 of the 2000 Regular Session of the General Assembly. The moneys received in the fund, along with the accrued interest, shall be further allocated as follows:

  (a) For the life of the Phase II payment program, funds in the agricultural development fund shall be set aside first to supplement Phase II funding when needed as outlined in Section 3 of this Act; and

(b) The moneys remaining in the agricultural development fund after the Phase II supplement is set aside shall be further allocated as follows:

1. Thirty-five percent (35%) to the counties account provided in subsection (1)(b)1. of this section; and
2. Sixty-five percent (65%) for other projects throughout the state.

(3) The allocation within the counties account in the agricultural development fund for each county shall be assured for use in each county and shall be based on the following weighted factors:

(a) Fifty percent (50%) weight to the county's percentage of the state's tobacco allotment based on 1999 data;

(b) Twenty-five percent (25%) weight to the county's number of farms with tobacco quotas in the county as a percentage of farms with tobacco quotas statewide, based on 1999 data; and

(c) Twenty-five percent (25%) weight to the economic impact index for each county which shall be calculated in the following manner:

1. The tobacco income for each county (1997 burley tobacco production times average burley market price) divided by the total personal income for each county. The data used shall reflect the year most recently available for total personal income.
2. The percentage derived in subparagraph 1. of this paragraph (tobacco income as a percentage of total personal income for each county) shall then be summed across all counties.
3. The economic impact index amount shall be each county's tobacco income as a percentage of total personal income, divided by the aggregate percentage stated in subparagraph 2. of this paragraph.

(4) When a county's allocation is exhausted, applicants from that county may apply for funds from the other sixty-five percent (65%) of the moneys in the agricultural development fund. Failure by a county to exhaust its county allocation shall not preclude the county from receiving the benefits of a proposal approved by the board from state funds.

(5) Any funds directly appropriated by the General Assembly shall be assessed against the percentage of funds allocated to the state portion of the agricultural development fund.

(6) Interest earned on any moneys in any fund or account created in Sections 1 to 14 of this Act shall accrue to that fund or account until transferred to another fund or account created or referenced in Sections 1 to 14 of this Act.

(7) None of the moneys left at the end of a fiscal year in any fund or account created or referenced in Sections 1 to 14 of this Act shall lapse, but shall stay with the fund or account as long as the fund or account exists, or until the moneys are transferred to another fund or account created or referenced in Sections 1 to 14 of this Act. In the case of any fund or account created in Sections 1 to 14 of this Act that is terminated with a remaining balance, the balance shall remain in the agricultural development fund.

SECTION 3. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

(1) Forty million dollars ($40,000,000) of the moneys credited to the agricultural development fund as set out in subsection (1)(a) of Section 2 of this Act shall be set aside to supplement Phase II on the effective date of this Act. Additional funds shall be set aside to supplement Phase II funding as needed from moneys credited to the agricultural development fund after June 30, 2000.

(2) Phase II payments shall be supplemented each year for tobacco growers and quota owners so that the total amount available for payment is maintained at one hundred fourteen million dollars ($114,000,000) each year. If the Phase II supplement set aside referred to in subsection (1) of this section falls below the amount needed to reach the one hundred fourteen million dollar ($114,000,000) level in any year before the end of the twelve (12) year Phase II funding program, procedures outlined in subsection (3) of this section shall be followed.

(3) (a) If the moneys set aside for Phase II supplement before June 30, 2000, become insufficient to continue to meet the yearly one hundred fourteen million dollar ($114,000,000) funding level, moneys needed to supplement Phase II funding to maintain funding at the 1999 level of one hundred fourteen million dollars ($114,000,000) per year for each of the remaining eleven (11) years of the Phase II funding program shall continue to be provided to the Phase II set aside from funds received in the tobacco settlement agreement fund after June 30, 2000. As Master Settlement Agreement funding becomes available after June 30, 2000, for calendar year 2001 and each year thereafter for the life of the Phase II payment program, the moneys needed for the Phase II supplement to assure availability of the one hundred fourteen million dollar ($114,000,000) funding level for that year shall be taken from the agricultural development fund. When a determination is made that funds are needed, funds shall be taken from the agricultural development fund before any other distributions are made following the next master settlement payment in April of each year. On the last year of distribution of the Phase II supplement funds, any excess funds beyond those needed to reach the one hundred fourteen million dollar ($114,000,000) level shall be returned to the agricultural development fund.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, if the moneys required to supplement the Phase

II funding at the one hundred fourteen million dollar ($114,000,000) level are less than twenty million dollars ($20,000,000) in a year, the amount shall be deferred to a later year until at least a deficit of twenty million dollars ($20,000,000) is achieved before supplement payments are made.

(4) The Tobacco Settlement Trust Corporation created in House Bill 96 of the 2000 Regular Session of the General Assembly shall provide for distribution of the Phase II supplement funds. The corporation shall use the same formula and process for distribution of the Phase II supplement funds as it uses for distributions under the regular Phase II payment program, except that the corporation shall send the list of supplement payment recipients to the Revenue Cabinet rather than to the trustee of the National Tobacco Grower Settlement Trust. The Revenue Cabinet shall process the information and issue the checks at no charge to the Agricultural Development Board. The Phase II supplement funds shall be identified as supplement funds when distributed to tobacco growers and quota owners.

SECTION 4. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

(c) Notwithstanding the provisions of House Bill 583 passed by the 2000 Regular Session of the General Assembly, immediate funding needs may be addressed and funded before a comprehensive or strategic plan is completed. Signed: April 12, 2000 - Representatives Barrows, McKee, Nunn, and R. Adams; Senators Boswell, Harris, Kelly, Pendleton, Sanders, and Williams. The above-named members, in separate votes by house, concur in the provisions of the report.

Representative Thomas moved that **HB 611**, as amended by the Free Conference Committee Report, be passed.

Representative Worthington moved that the following relating to the Free Conference Committee Report on **HB 611** be spread upon the Journal. Agreed.

It is the intention of the General Assembly in this Free Conference Committee Report to encourage multi-county and regional projects and the maximizing of federal, state and these tobacco settlement dollars.

Page 4, Section 2, Subsection 4 of the Free Conference Co. Report makes it clear that if a county allocation has been used up, "exhausted", other applications from that county can be made to be state board for state funds and if the county's allocation has not been "exhausted" that county or an applicant in a county can receive the benefits of other projects approved by the state board.

The language left some question as to the whether an application from a county or an applicant in a county could be made for state funds before a county's allocation had been exhausted. The answer is yes-that is the clear intent of the bill and those of us who drafted the Free Conference Report. The best example would be the "water funds" or other programs directly funded by the General Assembly, with $50 million available in "water funds"-exhaustion of a county's allocation would not be required before applying for water funds. An application from a county or applicant in a county can be made for any state funds before all county allocations have been used up.

Representative Thomas moved that **HB 611**, as amended by the Free Conference Committee Report, be passed.

On the roll call the vote was: **Yeas 89**, **Nays 5**. (See April 14, 2000 roll call on **HB 611** - Appendix.)

HB 611, as amended by the Free Conference Committee Report, was passed and the title agreed to.

Representative Thomas moved that the vote by which **HB 611**, as amended by the Free Conference Committee Report, was passed be reconsidered and said motion be placed on the table. Agreed.

HR 188, A RESOLUTION honoring Floyd County upon the occasion of its Bicentennial Celebration.

WHEREAS, on December 13, 1799, the Kentucky General Assembly enacted the bill creating Floyd County, and it became effective on June 1, 1800; Floyd County, the fortieth county in order of formation in our great Commonwealth, is part of the Cumberland Plateau, and it is located in the Big Sandy area of eastern Kentucky; and with Prestonsburg designated as the county seat, Floyd County comprises an area of 393 square miles, and it is bordered by Johnson, Martin, Pike, Knott, and Magoffin Counties; and

WHEREAS, twenty-seven years before Floyd County was created, famous Kentucky pioneer and trailblazer, Daniel Boone, spent the winter of 1773 in Floyd County on the waters of Lick Fork of Middle Creek of the Big Sandy River, where he worked a salt deposit while waiting for his companion, William Hill, to return from North Carolina with much needed ammunition; and

WHEREAS, Floyd County is named in honor of Colonel John Floyd, a pioneer explorer, and well-known surveyor under Colonel William Preston, for whom Prestonsburg is named. In July, 1776, Colonel John Floyd accompanied Daniel Boone in the rescue of his daughter, Jemima, and Elizabeth and Fanny Callaway who had been captured by the Indians. He also accompanied General George Rogers Clark on several of his expeditions; and

WHEREAS, the importance of the pioneer era cannot be overstated, for the pioneers gave the supreme sacrifice of their lives for future generations, and Floyd County played an integral role in the lives of these first pioneers; they endured many hardships and disasters, and struggled daily with the threat of Indian ambush, as recollected in the famous folktale of Jenny Wiley, a young woman captured by the Cherokee Indians and held prisoner for eleven months. Her courageous escape entailed crossing the Levisa Fork of the Big Sandy River to where she found safety at Harmon's Station Blockhouse, the earliest settlement in eastern Kentucky. Due to her courage and fortitude, the 1,700 acre Jenny Wiley State Resort Park was named in her honor; and Dewey Dam provides flood control and forms Dewey Lake, the focus of the park; and

WHEREAS, with the penetration of the railroad in 1903, coal mining became and continues to be an important economic resource in Floyd County; and the oil and gas industry and the abundance of timber are important to the economy and character of Floyd County, and these industries have enhanced the livelihoods of many of her citizens; and

WHEREAS, Bert T. Combs, a notable Kentuckian, and longtime resident of Floyd County, fondly referred to in earlier years as "The Little Judge," was Governor of Kentucky from 1959-63; having been ever mindful of the needs of his people, it was due to his insight and dedication to them that eastern Kentucky was connected to the rest of the Commonwealth through the construction of the Mountain Parkway; and now eastern Kentucky is crisscrossed with modern highways, such as Kentucky Route 80, Kentucky Route 3, and famous U. S. Route 23, the Country Music Highway; Governor Combs' education program included the construction of Prestonsburg Community College of the University of Kentucky, which serves a five county area including Floyd, Johnson, Magoffin, Pike, and Martin Counties. The college provides pre-baccalaureate education, technical and career programs, community service, and continuing education programs; and in more recent years, the Morehead State University extended campus, located in Prestonsburg, offers evening classes in telecommunications, nursing, education, business, and social work; and

WHEREAS, also instrumental to the citizens of Floyd County and eastern Kentucky was the creation of the Mountain Arts Center and Home of the Kentucky Opry, in 1996, where both programs are dedicated to showcasing the talent of eastern Kentucky, as well as being a school of music for the youth of eastern Kentucky, and attracting national artists for entertainment; and

WHEREAS, other aspects of life in Floyd County have progressed due to the hardworking citizenry, including health care, education, technology, industry, and manufacturing relating to coal resources, banking, tourism, and numerous retail businesses. While Floyd County's business community has progressed parallel to other areas of Kentucky, its people have held steadfast to its rich folk ways; and

WHEREAS, the citizens of Floyd County are proud of their rich heritage, and the contributions Floyd County has made to this great Commonwealth these two hundred years of her existence; her citizens, through their courage, leadership, and dedication, blazed important trails opening the way for progress, while preserving the rich heritage and traditions for which eastern Kentucky is so revered;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives, in recognition of the two hundredth anniversary celebration of Floyd County, and in further recognition of the social, cultural, educational, and economic advancements of Floyd County and her residents throughout the course of these two hundred years, joins the fine citizens of that fair county in the jubilant celebration of Floyd County's Bicentennial.

Section 2. When the House of Representatives adjourns this day, it does so in honor of Floyd County's Bicentennial celebration.
